

### OVERVIEW

The Chevrolet Caprice PPV is the ultimate police sedan available in today's market when it comes to overall size, performance, and officer comfort.

Under the hood, Caprice offers two outstanding powertrains including our 3.6L SIDI DOHC V6, as well as our 6.0L V8 with 355 horsepower that comes as a no-cost option. The V8-powered Caprice achieved a top speed of 155 mph at the 2014 Michigan State Police Vehicle Evaluation making it the very best of any police-rated product. With its rear-wheel drive configuration, precise steering, and outstanding brakes; Caprice has the dynamics to match the power up front.

Inside, Caprice boasts 112 cu. ft. of interior volume making it the largest sedan in the market. Officers will find a high level of comfort, connectivity, and safety behind the wheel as well. Standard Bluetooth<sup>4</sup> streaming audio and cell phone connectivity keep officers' eyes on the road, while an all-new standard Rear Vision Camera helps to improve visibility in backing situations and reduce collisions. And with the flip of a switch, the standard Surveillance Mode<sup>5</sup> allows officers to turn the Caprice into a stealth-like cruiser with nearly all interior lighting completely darkened.

Backed by a 5-year/100,000-mile limited powertrain warranty<sup>1</sup> and 2-year/24,000-mile scheduled maintenance program<sup>2</sup>, the Caprice cements itself as the elite choice for law enforcement.

### Available Exterior Colors

\*Additional Charge (less than 20 orders will be delayed until 20 order minimum received)

<sup>1</sup>Whichever comes first. See dealer for limited warranty details.

<sup>2</sup>Covers only scheduled oil changes with filter, tire rotations and 27-point inspections according to your new vehicle's recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of 4 service events. See participating dealer for other restrictions and complete details.

<sup>3</sup>Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity.

<sup>4</sup>Go to [gmtotalconnect.com](http://gmtotalconnect.com) to find out which phones are compatible with the vehicle.

<sup>5</sup>Requires customer-supplied switch

<sup>6</sup>A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.
