

2015 TAHOE POLICE PACKAGE

DONOHOO CHEVROLET

CALL FOR STATE BID PRICE ON 2WD AND THE 4WD

OVERVIEW

The Chevrolet Tahoe remains the sole body-on-frame police vehicle in today's market rated for pursuit capability. That rating now expands to a 4WD model¹ giving officers more range of capability than ever before. Redesigned both inside and out, the new Tahoe features improved technologies and ergonomics, as well as a more powerful and efficient engine. The standard 5-year / 100,000-mile limited powertrain warranty is now accompanied by a standard 2-year / 24,000-mile scheduled maintenance program (see dealer for details).

⁹ A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.
