NATCHEZ FORD'S **ONLINE** NEWSLETTER FOR FUN & SAVINGS

Hello to All of Our Friends In The Miss-Lou and judging from our internet sales friends from all over the United States! Welcome to our August edition of our newsletter.

Our newsletter has been so well received that we wanted to make it available to everyone - and save a few trees in distribution. So we have now created an on-line edition. I hope you enjoy.

In the Newsletter we have tried to include the things you have asked for. Some of these are:

- [Sporting Clay Tournament](#)
- [#1 Selling Car](#)
- [New Car Specials & Incentives](#)
- [Our 20 Best Used Car Values](#)
- [Service Tips Of The Day & Valuable Coupons](#)
- [Word Games, Sudoku, Recipes & Just Fun Stuff](#)
- [Interesting Product Articles & More](#)

I hope you enjoy! Let me know!

Thanks for your past business and let me know what I can do to earn your future business.

Sincerely,

Brad Yarbrough
President, Natchez Ford

SPONSORS FIRST ANNUAL

IRON MEN NATCHEZ

SPORTING CLAYS TOURNAMENT!

Natchez Ford is pleased to be one of the inaugural sponsors of the First Annual Iron Men Natchez Sporting Clays Tournament to be held Saturday, September 14th. This is sure to be a fun time of showing off shooting skills while supporting special outreach causes right in our own back yard.

The Sporting Clays Tournament will consist of at least 13 different shooting stations as well as a Long Bird competition. There will be morning and afternoon flights.

A wild hog lunch will take place between the flights. We are happy about that because clay pigeons don't taste that good. Please join us for this fun and worthwhile event. Shooters of different skill levels are welcome to participate.

Help us help the Iron Men with their mission work in the Miss-Lou. It is always great being a part of the many ways those in the Miss-Lou gives back to our community. See you there!

FOCUS #1 SELLING CAR IN THE WORLD!

All hail the Ford Focus: the compact hatchback/sedan took the crown of the world's most popular car in 2012, according to data mined by Polk and reported by Ford. When all was said and done, Polk says that Ford scored three of the top spots with the Ford Focus, Fiesta, and F-Series.

The success of the Ford Focus is an international one, but the numbers point to two nations for making the compact car a true success: the United States and China. Polk and Ford say that just over one in four Focuses sold in the world go to China. That means Chinese car buyers snapped up just over 250,000 units last year, just ahead of the 245,922 American Focuses we bought in 2012. According to Polk, American Focus sales account for 24.1 percent of international Ford Focus volumes.

Ford's other internationally popular nameplate should surprise exactly no-one: it's the Ford F-Series, America's sales king. Ford sold 785,630 units of the F-Series last year across the globe, but a staggering 82.1 percent of them went to American homes. The United States alone bought 645,316 units of the iconic truck, making us the single largest consumer of Ford-branded full-size pickups in the world. It is no wonder the F-Series pickup is the #1 selling truck in America for 36 years running.

WE WANT TO BUY YOUR CAR!

Natchez Ford Has Been Named an Official Auto Trader Buying Center

Yes you read it right - we want to buy your car even if you don't buy ours. No matter what reason you are selling your car - we want to have the opportunity to buy it.

Do you need cash? Sell your car to us and we will give you the cash the same day. Need to get out of a high payment? Sell your car to us and we will pay it off so you do not have to make that payment any more.

Shopping for a great car deal but the dealer won't give you enough money for your trade? Bring it to us and we will buy it out right improving your deal at that other dealer. In fact, bring it to us before you start shopping then you will know what your trade is really worth before you shop.

Imports or domestics - cars or trucks - we are buying all kinds of vehicles. We will give you a free buy bid for your car regardless of your circumstances. We do it as a service to you but it also helps us.

We are selling cars and trucks all over the country. Your vehicle may be worth more in California than here in Mississippi. We know that. With this information we can give you more for your vehicle because we have the outlets to sell to in these other markets - others may not.

So for whatever reason you want to sell your vehicle - think Natchez Ford - the Miss-Lou's Official Auto Trader Buying Center.

TIP OF THE DAY!

Change your transmission fluid regularly!

Change your transmission fluid regularly! No matter where or when, breakdowns are never convenient, often dangerous and always expensive. As your transmission fluid ages contaminants build up and viscosity breaks down. Your transmission is left vulnerable to breakdowns even from ordinary daily wear and tear. At 50,000 miles you should have your transmission fluid checked by a certified technician.

FORD FUSION NAMED 2013 “GREEN CAR OF THE YEAR”

The Ford Fusion became the least expensive vehicle to ever win this award. In the past, sales of green vehicles have been hampered by their relatively high price tags.

The Fusion, which starts at \$21,700 for the gas-powered base model, won because it is offered in a wide range of powertrains, said Ron Cogan, editor of Green Car Journal, which gives out the annual award to recognize leadership in cutting emissions.

“It won by virtue of the fact that it offers an array of choices,” Cogan said after announcing the award during the LA Auto Show on Thursday. “This is huge.”

Ford offers the Fusion gas-powered, hybrid and plug-in hybrid models. The Fusion hybrid is estimated to get 47 miles per gallon. A hybrid is an automobile with more than one power source, such as an electric motor and internal combustion engine or an electric motor with battery and fuel cells for energy storage.

In the past, sales of green vehicles have been hampered by their relatively high price tags.

The Fusion, which starts at \$21,700 for the gas-powered base model, won because it is offered in a wide range of powertrains, said Ron Cogan, editor of Green Car Journal, which gives out the annual award to recognize leadership in cutting emissions.

“It won by virtue of the fact that it offers an array of choices,” Cogan said after announcing the award during the LA Auto Show on Thursday. “This is huge.”

Ford spokesperson Wes Sherwood said the company was expecting to see a wider range for fuel economy on its new generation of hybrids because it is not asking drivers to compromise on vehicle performance. “If you want to drive for maximum fuel economy, the car has the tools. You can do it,” Sherwood said.

NATCHEZ TRANSPORTATION & FOOD WHAT A DIFFERENCE 300 YEARS MAKES... OR DOES IT!

The Natchez Indians made long dugout canoes from hollowed-out cypress logs. Over land, the Natchez used dogs as pack animals. (There were no horses in North America until colonists brought them over from Europe.) The Great Sun (the king) always rode in a litter, which is a special kind of carriage carried on the shoulders of other men.

Canoes and dogs to Powerstrokes and Hybrids... what a difference 300 years makes.

300 years ago The Natchez were farming people. Natchez men also hunted deer and wild turkeys and went fishing in the rivers.

SOME THINGS JUST STAY THE SAME.

RECIPE

Beef Stew

A hearty stew can sure hit the spot on a blustery day. This recipe offers lots of fun, hands-on work for a houseful of cooks. And because beef stew is meant to cook slowly, kids will discover the merit of having a little patience.

What you'll need

- 1-1/2 pound stew beef, cut into bite-size pieces
- 1/4 cup plus 3 tablespoons flour
- 4 tablespoons vegetable oil
- 1 large onion, coarsely chopped
- 1 rib celery, thinly sliced
- 2 to 3 cloves garlic, minced
- 3 cups low-sodium beef broth
- 1 cup tomato juice or vegetable juice
- 3/4 teaspoon salt, plus more to taste
- 2 bay leaves
- 2 large all-purpose potatoes, cut into chunks
- 2 carrots, peeled and sliced into thin rounds
- 2 cups fresh green beans, in bite-size pieces
- 1 teaspoon dried thyme
- 1 teaspoon dried oregano
- Black pepper, to taste
- 1 tablespoon Worcestershire sauce
- 1 tablespoon light brown sugar

How to make it

Beef Stew Step 1

Set a large, heavy-bottomed soup or stew pot over medium heat for several minutes. Meanwhile, combine the stew beef and 1/4 cup of the flour in a gallon size plastic or paper bag. Shake well to coat the meat.

Beef Stew Step 2

Add 2 tablespoons of the vegetable oil to the pot. Gently swirl the pan to spread the oil around. Add half of the meat to the pan, shaking off any excess flour, and brown it for 3 to 4 minutes, stirring occasionally. Transfer the browned meat to a heat proof dish. Then add the remaining 2 tablespoons of oil to the pan and brown the remaining meat.

Beef Stew Step 3

Stir the onion, celery, garlic, and first batch of meat back into the pan. Saute the mixture for 3 minutes, stirring often, until the onion wilts.

Beef Stew Step 4

Stir in the broth, tomato juice, 3/4 teaspoon salt, and bay leaves. Increase the heat, bringing the liquid to a simmer. Then reduce the heat to low. Cover the pot and gently simmer the stew for 1 hour, stirring several times as it cooks.

Beef Stew Step 5

Stir in the remaining ingredients, except for the reserved 3 tablespoons of flour. Bring the stew to an active simmer, then reduce the heat to low. Cover and simmer gently for 45 minutes more, until the vegetables are tender.

Beef Stew Step 6

To thicken the stew, spoon a ladleful of broth into a small mixing bowl. Whisk in the reserved 3 tablespoons of flour. Then stir the mixture into the stew and simmer for 10 minutes more. Serve with dinner rolls or over rice or noodles. Makes 6 to 8 servings.
