

MISS-LOU'S WHEELS 'n DEALS

NATCHEZ FORD'S **ONLINE** NEWSLETTER FOR FUN & SAVINGS

Hello to All of Our Friends In The Miss-Lou and judging from our internet sales friends from all over the United States! Welcome to our first monthly edition of our newsletter.

Our newsletter has been so well received that we wanted to make it available to everyone - and save a few trees in distribution. So we have now created an on-line edition. I hope you enjoy.

In the Newsletter we have tried to include the things you have asked for. Some of these are:

- [Updates On Our Expansion](#)
- [Special Involvement In The Miss-Lou](#)
- [New Car Specials & Incentives](#)
- [Our 20 Best Used Car Values](#)
- [Service Tips Of The Day & Valuable Coupons](#)
- [Word Games, Sudoku, Recipes & Just Fun Stuff](#)
- [Interesting Product Articles & More](#)

I hope you enjoy! Let me know!

Thanks for your past business and let me know what I can do to earn your future business.

Sincerely,

Brad Yarbrough
President, Natchez Ford

Extended bays increasing not only service capacity but also the ability to work on large oil equipment and motor homes.

Entrance into expanded detail area and view of large service door entrances - check out how tall they are - built for big jobs!

Our cool new state of the art photo room - we can actually rotate vehicles so we can take pictures of all parts of the vehicle. For you online buyers this is major - you get to see it - see it all - before you buy it!

OUR EXPANSION IS DONE!!!

What Does That Mean To You?

Our expansion has finally been completed! We are excited... but what does it mean to you?

It means that a local business in the Miss-Lou values your business so much that it invested hundreds of thousands of dollars in making sure it could take care of, and service your business in the future.

It means we have increased capacity to service your vehicles in the timely manner you deserve and insure we fix it right the first time every time.

It means we can now service and repair any size vehicle with our oversized bays and lifts - oil equipment, Class A RV's no

problem - no matter how small or big of vehicle you own - if it has an engine we can fix it.

It means we have expanded our business and our hiring - putting more in the Miss-Lou to work - and that is always a good thing.

It means we can now take pictures from virtually every angle of the vehicle you are considering purchasing so you know what you are buying and don't receive any surprises.

Come and see the expansion for yourself - we love you Miss-Lou and are quite excited about our growth together.

WE ARE SO THANKFUL TO BE A PART OF THE MISS-LOU!!!

Yes we sell a lot of cars and trucks all over the United States because of our competitiveness. That said we could not be more proud to be a part of the Miss-Lou community.

It is not one person, one family, one Church or one business that makes the Miss-Lou special - but it is all of us combined!

Take a look at some of the recent activities we have been fortunate enough to work on with our friends and family in the Miss-Lou!

NATCHEZ CHILDREN'S HOME SERVICES

Since 1816 Natchez Children's Home Services has helped thousands of abused, neglected and at risk children. Natchez Ford has been proud to assist this great cause over the last year.

THINK GREEN!

Natchez Ford is pleased to be one of the initial corporate sponsors for The Green Alliance. The Green Alliance is spearheading recycling efforts for the entire city of Natchez and much of Adams County.

RELAY FOR LIFE

A month of grilling, bake sales and donations off car sales culminated with the Relay for Life Event to help toward the eradication of cancer. Natchez Ford enjoyed joining all in this huge event - even our pancake and bacon breakfast at 4:30 in the morning.

"BUILT FORD TOUGH" YOUTH SPORTS

We loved sponsoring the "Built Ford Tough" basketball team to a 10-1 record and the AYA 5th and 6th Grade Championship. Each child received a "Built Ford Tough" belt buckle. More importantly we got to see many Miss-Lou youth grow, play and excel athletically with great sportsmanship.

WE WANT TO BUY YOUR CAR!

Natchez Ford Has Been Named an Official Auto Trader Buying Center

Yes you read it right - we want to buy your car even if you don't buy ours. No matter what reason you are selling your car - we want to have the opportunity to buy it.

Do you need cash? Sell your car to us and we will give you the cash the same day. Need to get out of a high payment? Sell your car to us and we will pay it off so you do not have to make that payment any more.

Shopping for a great car deal but the dealer won't give you enough money for your trade? Bring it to us and we will buy it out right improving your deal at that other dealer. In fact, bring it to us before you start shopping then you will know what your trade is really worth before you shop.

Imports or domestics - cars or trucks - we are buying all kinds of vehicles. We will give you a free buy bid for your car regardless of your circumstances. We do it as a service to you but it also helps us.

We are selling cars and trucks all over the country. Your vehicle may be worth more in California than here in Mississippi. We know that. With this information we can give you more for your vehicle because we have the outlets to sell to in these other markets - others may not.

So for whatever reason you want to sell your vehicle - think Natchez Ford - the Miss-Lou's Official Auto Trader Buying Center.

TIP OF THE DAY!

Change your transmission fluid regularly!

Change your transmission fluid regularly! No matter where or when, breakdowns are never convenient, often dangerous and always expensive. As your transmission fluid ages contaminants build up and viscosity breaks down. Your transmission is left vulnerable to breakdowns even from ordinary daily wear and tear. At 50,000 miles you should have your transmission fluid checked by a certified technician.

THE FORD OF THE FUTURE!

A SNEAK PEAK AT FORD TRUCKS IN TOMORROW'S WORLD

FORD ATLAS CONCEPT TRUCK

The Ford Atlas Concept is a bold look at potential design, technology and capability features that could one day appear in Ford trucks.

Drawing on 65 years of F-Series heritage and 36 consecutive years of sales leadership, Ford is once again staying well ahead of the game by listening to its customers and using their insights as inspiration. Truck owners need a tough, efficient partner that's ready for anything. The Ford Atlas Concept is the ultimate solution for them to get the job done and play as hard as they do.

Even at first glance, the Ford Atlas Concept sheet metal ripples with muscle toned with modern refinement.

As for brains, it comes with Trailer Backup Assist, a groundbreaking innovation that lets the driver back a trailer with the twist of a knob. Together with Dynamic Hitch Assist, it helps a driver with limited towing experience handle trailering like a seasoned pro. And helps a seasoned pro handle trailering like never before.

The 360-degree camera lets the driver see all around the truck on the center stack screen with the Ford Atlas Concept in the middle and the world surrounding it. This Ford truck first gives you a bird's eye view to help position the vehicle in tight places. Perfect for a busy job site or the grocery store parking lot.

Features that accommodate both work and off-the-clock utility include sideview mirror-mounted LED spotlights capable of illuminating a worksite when an owner is working early or late and the SYNC® with MyFord Touch® screen is workglove friendly and can turn the cab into a Wi-Fi® hotspot. It's an open platform that can work with a broad range of productivity applications.

The cargo box includes its own LED lighting, tie downs and hidden cargo ramps stowed under the bed to make loading easy. The tailgate step becomes a cradle for the integrated roof carrier.

LED headlamps and taillamps offer enhanced road lighting over conventional halogen or HID lights and last longer. The Ford Atlas Concept was built with technologies to help maximize efficiency. Active grille and wheel shutters together with power-deployable front spoiler and running boards actually re-shape the Atlas, improving its aerodynamics and help it cut through the wind. The Atlas also uses Auto Start-Stop engine shutoff technology for enhanced efficiency in stop-and-go driving conditions. The system is designed specifically for trucks. For instance, Auto Start-Stop pauses when the truck senses it's towing.

"More than a tribute to Ford's historic truck legacy, Ford Atlas Concept was inspired by the work ethic and lifestyle of today's Ford Truck owners and drivers," said Ford Atlas Concept design director Gordon Piotti. "Atlas pushes the envelope to evoke emotional appeal, as its Ford DNA remains instantly recognizable."

Joke of The Day #1

Three buddies die in a car crash, and they find themselves at the pearly gates.

They are all asked, “When you are in your casket and friends and family are mourning upon you, what would you like to hear them say about you?”

The first guy says, “I would like to hear them say that I was the greatest doctor of my time, and a great family man.”

The second guy says, “I would like to hear that I was a wonderful husband and school teacher who made a huge difference in our children of tomorrow.”

The last guy replies,
“I would like to hear them say... LOOK!!! HE’S MOVING!!!!!!”

Joke of The Day #2

One day, a cowboy rode into a Wild, Wild West town. The people in the town love to play jokes on visitors. After tying his horse to the pole outside a bar, the cowboy went in. “A cup of milk please.” he said to the bartender.

After drinking, he went out, only to find his horse missing. Knowing that the villagers did it, he went back into the bar and said to everybody, “I am going to have another drink and when I finish it, I want to see my horse outside! Or else, I will have to do what I did in Texas - HERE!”

The people were very frightened. When he finished his drink, he went outside and saw his horse. The villagers had put it back. Curious, the bartender asked the cowboy, “What did you do in Texas?”

The Cowboy replied, “Well, I had to walk home

RECIPE

Coconut Truffles

Sent in by Dianne Folsom

Coconut Truffles

Ingredients:

- 2 c coconut
- 2 c chopped pecans
- 1 can Eagle brand
- 2 boxes powdered sugar
- 2 sticks butter (melted)
- 1 tsp vanilla

Preparation

Mix together really well. Chill for one hour. Cover cookie sheets with wax paper; roll truffles into quarter size balls. Stick toothpick in the top of each ball. Freeze overnight.

Chocolate Dipping Sauce

Ingredients

- 18 oz bag of chocolate chips
- ½ square parfin wax

Preparation

Melt in double boiler. Take only a few at a time out of the freezer. Dip in chocolate. Remove the toothpicks. Cover toothpick holes with more chocolate. Keep chilled. Enjoy.
