

THE 2011 STS AND DTS

MIDWAY MOTORS
SUPERCENTER

"Come Join the Family"

McPherson - Hillsboro - Hutchinson

Check out our inventory at
www.MidwayMotors.com

High-Intensity Discharge (HID) headlamps with IntelliBeam are available to automatically adjust from high- to low-beam and back, to enhance visibility.

Performance Handling Package, including 18" chrome wheels, performance tires and Brembo® brakes, is available.

ZF Servotronic® 2¹ steering, an available feature, delivers precise high-speed cornering, while high-performance sound suppression minimizes engine noise and vibration.

Prominent LED vertical taillamp design is a Cadillac signature, and clearly visible to following drivers.

THE STS

It's there in the dramatic lines. It's evident in every detail. The Cadillac STS stands firmly on the line that blurs performance and sophistication. With a standard 302hp 3.6L direct injection V6 for power, available ZF Servotronic® 2¹ steering that allows precise high-speed cornering, high-performance suppression that minimizes engine noise and available 18" chrome wheels and Brembo® brakes, it's the perfect union of performance and sophistication.

1. Servotronic is a registered trademark of ZF Lenksysteme GmbH.

Adaptive Remote Start activates the engine, climate control, defroster and optional heated or ventilated front seats for the utmost convenience.

Bose® 5.1 Studio Surround® sound system—an available feature, offers Centerpoint™ signal processing and AudioPilot™ noise compensation technology.

8-way power-adjustable front seats and articulating head restraints, with an available heated and ventilated option, make for a comfortable ride.

Driver Awareness Package—an available feature, offers Side Blind Zone Alert¹, Lane Departure Warning and 4-color Head-Up Display issuing visual and/or audible alerts when necessary.

The STS Platinum features Tuscany full-leather seats, Olive Ash wood trim with Saddle stain, Alcantara® luxury ultra-microfiber upper trim, a luxurious leather-wrapped interior, premium floor mats, 18" chrome wheels, and Platinum-specific door sill plates.

THE STS INTERIOR

Ultrasonic Rear Park Assist issues audible alerts to help you see what's out of sight behind you.

Inside the STS, awaits a world all your own. Keyless access, power tilt and telescoping steering wheel, and available driver memory settings greet you properly from the start. Standard OnStar² one-year Directions & Connections Plan, eNav and a 3-month trial of XM Radio³ are included. Heated and ventilated front seats, polished Sapele wood trim, Bluetooth® phone connectivity,⁴ navigation⁵ and a Bose® 5.1 Studio Surround® sound system are all available to further orchestrate your personal reception.

¹ Before making a lane change, always check the SBZ display, check the side and rear mirrors, look over your shoulder for vehicles and hazards, and activate the turn signal.
² Visit onstar.com for coverage map, details and system limitations.
³ Requires a subscription sold separately by XM after trial period. Available only in the 48 contiguous United States and District of Columbia. Visit gm.xmradio.com for details.
⁴ Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with this vehicle.
⁵ Map coverage available in the contiguous United States, Hawaii and portions of Canada.

Vertical LED taillamp design is a Cadillac signature, and is clearly visible to following drivers.

THE DTS

The DTS is an open invitation to a world of luxurious performance, with an available 4.6L Northstar V8 that delivers 292hp, so you can rest assured that you'll be arriving at your favorite destinations soon enough. The available Magnetic Ride Control suspension system uses advanced sensors that read the road up to 1,000 times a second, then automatically applies the necessary dampening forces to improve handling and ride quality.

High-Intensity Discharge (HID) headlamps light the way and available IntelliBeam automatically adjusts from high- to low-beam and back, to enhance visibility.

Adaptive Cruise Control,¹ an available feature, uses radar to help you maintain your specified following distance automatically and effortlessly.

1. Adaptive Cruise Control is no substitute for the driver's personal responsibility to operate the vehicle in a safe manner. The driver needs to remain attentive to traffic and road conditions and provide the steering, braking or other inputs necessary to retain control of the vehicle.

Adaptive Remote Start activates the engine, climate control, defroster and optional heated or cooled front seats for the utmost convenience.

Driver Awareness Package option with Side Blind Zone Alert¹ and Lane Departure Warning, issues visual and/or audible alerts when necessary.

Memory settings, an available feature, automatically adjust the driver's seat, power tilt and telescoping steering wheel (when equipped), outside mirrors, and audio and climate settings for two drivers.

The DTS Platinum features a leather-wrapped console and instrument panel, luscious full-leather seats or available, exceptionally soft TEHĀMA leather seats, Alcantara[®] luxury ultra-microfiber upper trim, genuine Light Ash wood trim with decorative inlays, premium floor mats, 18" chrome tech wheels, unique chrome grille and door handles, and illuminated door sill plates.

THE DTS INTERIOR

Ultrasonic Front and Rear Park Assist, an available feature, issues audible alerts to help you see what's out of sight ahead of or behind you.

XM NavTraffic[®] is an optional, satellite-derived traffic information service that displays real-time traffic data when equipped with available navigation system.

Craftsmanship speaks for itself. The DTS interior features available premium TEHĀMA full-leather seats, heated and cooled front seats, leather-wrapped multifunction power tilt and telescoping steering wheel, and Burled Walnut wood trim. Included are standard OnStar² one-year Directions & Connections Plan and a 3-month trial of XM Radio³ Bluetooth[®] phone connectivity⁴; Bose[®] Centerpoint[®] surround sound system, and navigation⁵ with voice recognition and eNav are available.

1. Before making a lane change, always check the SBZA display, check the side and rear mirrors, look over your shoulder for vehicles and hazards, and activate the turn signal.
2. Visit onstar.com for coverage map, details and system limitations.
3. Requires a subscription sold separately by XM after trial period. Available only in the 48 contiguous United States and District of Columbia. Visit gm.xmradio.com for details.
4. Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with this vehicle.
5. Map coverage available in the contiguous United States, Hawaii and portions of Canada.
6. Required XM Radio and NavTraffic subscriptions sold separately after trial period. XM NavTraffic available only in select markets. For more information, see www.xmnavtraffic.com.

ABOUT YOUR CADILLAC

SAFETY INFORMATION

Passenger safety is a primary consideration throughout the engineering process. The STS and DTS were carefully designed to provide a host of features to help you from getting into a collision in the first place.

StabiliTrak By comparing driver steering input with vehicle response, the Electronic Stability Control System helps you maintain control by quickly applying ABS brakes to any wheel that begins to slip, and adjusts the power to help correct the steer.

Tire Pressure Monitor A sensor in each tire constantly monitors air pressure.¹ Should there be a drop in pressure, you will receive an alert via the Driver Information Center.

Strong Unit Body Strategically engineered front and rear crumple zones help absorb impact forces, and a comprehensive use of high-strength steel helps direct energy away from the passenger compartment in the event of an impact.

Six Airbags² Dual-stage frontal airbags and seat-mounted side airbags for the driver and outboard front passenger. Head-curtain, side-impact airbags mounted at the roof rail help protect both outboard front and outboard rear passengers in the event of a side impact.

OnStar[®] Automatic Crash Response In a crash, built-in sensors in your vehicle can automatically send an alert to OnStar. An OnStar Advisor is immediately connected to your vehicle to see if you're okay. Even if you don't respond, the Advisor can use GPS technology to locate you and request that emergency help be sent right away.

LUXURY COVERAGE AND OWNER PRIVILEGES

Cadillac offers the Best Luxury Coverage in the Industry with the Cadillac 5-Year/100,000-Mile Transferable Powertrain Limited Warranty with no deductible plus Roadside Assistance and Courtesy Transportation. Whichever comes first – see your dealer for details.

Owner Privileges By driving a Cadillac, you're part of a select group that enjoys special privileges, like the new Cadillac Owner Center, a one-stop resource to enhance your Cadillac ownership experience. Powered by Yahoo!, the Owner Center includes on-line service reminders, special offers, an online Owner's Manual and more. Members can also store their service records in one place online and have the opportunity to connect with other Cadillac owners. Enroll for these benefits at cadillac.com/owners. Owner Privileges also include 24-hour Roadside Assistance (1-800-882-1112). Free roadside services include jump starts, towing, lockouts, emergency fuel delivery and flat tire change or Tire Inflator Kit Service (as equipped). And if your trip is

interrupted due to vehicle failure, reasonable expenses may be reimbursed during the 5-Year/100,000-Mile Roadside Coverage period with Trip Interruption Protection. Your vehicle is also covered by the GM Bumper-to-Bumper limited warranty.

Courtesy Transportation is also available whenever your vehicle is in for warranted repairs. Cadillac Roadside Assistance and Courtesy Transportation Programs are in effect for the first 60 months or 100,000 miles of ownership, whichever comes first. See your dealer for complete details, terms and conditions of these programs, and the GM limited warranty.

¹ If equipped, does not apply to spare tire.
² Always use safety belts and the correct child restraint for your child's age and size, even in vehicles with airbags. Children are safer when properly secured in the rear seat, in an appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the vehicle Owner's Manual and child safety seat instructions for more safety information.
³ Visit onstar.com for coverage map, details and system limitations.

STS AND DTS COLORS

STS EXTERIOR	STS INTERIOR	DTS EXTERIOR	DTS INTERIOR
CRYSTAL RED ^{1,2} Tintcoat	EBONY	RADIANT SILVER Metallic	SHALE

BLACK ICE ¹ Metallic			
EVOLUTION GREEN Metallic			
ChromaFlair [®] uses advanced light interference technology and prismatic metallic pigments to create intense, deeply lustrous color. Tri-coat is a multi-stage 3-layer process that results in a dramatic hue-shifting color reminiscent of a show-car finish.	Tintcoat is a premium 2-layer paint application with the addition of a tinted clearcoat, lending the finish an extra depth and brightness.		

¹ Available at extra charge.
² Not available on Platinum.
³ Available on Platinum only.
⁴ Not available with Light Gray interior.
⁵ Not available with Titanium interior.
⁶ ChromaFlair is a registered trademark of 3M Unipolac Corp.

STS FEATURES AND OPTIONS

Luxury Package

Includes all standard features plus:

Audio

8-speaker Bose® sound system, in-dash 6-disc CD changer, Radio Data System (RDS)¹

Bluetooth® for Phone Interface²

Hands-free calling for cell phones

Heated Steering Wheel

Memory Settings

Memory settings for two drivers that adjust driver's seat settings, power tilt and telescoping steering wheel, outside mirrors, audio and climate settings

Seating

4-way driver and front passenger power lumbar, front/rear (outboard) heated, front ventilated seats

Trunk Convenience Net

Universal Home Remote

3-channel programmable

Wood Trim

Sapele wood trim on portion of steering wheel, shift knob, center stack, console, instrument panel spear molding and door pulls

Enhance your Luxury Package with these options:

All-Wheel Drive (AWD)

Sunroof

Express-open, express-close, express-vent

Tire, Compact Spare

Replaces standard inflator kit. Vehicle does not include traditional compact spare

Wheels

18" cast aluminum, polished (Requires AWD)

Luxury Level II Package

Audio

Bose® 5.1 Studio Surround³ sound system and navigation⁴

Lights

Xenon High-Intensity Discharge (HID) headlamps with IntelliBeam automatic high/low-beam switching and headlamp washers

Luxury Collection

Sunroof

Express-open, express-close, express-vent

Tire, Compact Spare

Replaces standard inflator kit. Vehicle does not include traditional compact spare

Luxury Level II Package

Premium Package

Includes all Luxury Package features plus:

Audio

Bose® 5.1 Studio Surround³ sound system and navigation⁴

Automatic Rear-Level Control

Self-adjusting

Deck Lid Spoiler

Lights

Xenon High-Intensity Discharge (HID) headlamps with IntelliBeam automatic high/low-beam switching and headlamp washers

Limited Slip Differential

Performance-oriented torque split

Performance Brakes

With fade-resistant pads

Performance Cooling System

All-electric cooling package

Premium Steering

ZF Servotronic² 2" performance gearing and variable-ratio electronic control

Enhance your Premium Package with these options:

Performance Handling Package

Includes P255/45R18 summer-only tires,² 18" x 8.5" chrome wheels and Brembo® brakes (Not available with Platinum)

Platinum

Includes 18" chrome wheels, unique grille finish, sunroof, leather-wrapped interior, Olive Ash wood with Saddle stain, premium floor mats, Tuscany full-leather seats, Alcantara® headliner (Not available with Performance Handling Package)

Tire, Compact Spare

Replaces standard inflator kit. Vehicle does not include traditional compact spare

Premium Luxury Collection

Driver Awareness Package

Includes Side Blind Zone Alert, Lane Departure Warning, and Head-Up Display (HUD)

Sunroof

Express-open, express-close, express-vent

Tire, Compact Spare

Replaces standard inflator kit. Vehicle does not include traditional compact spare

Drivetrain

3.6L Direct Injection V6 VVT engine with 302hp @ 6300rpm and 272 lb-ft of torque @ 3300rpm; rear-wheel drive; all-wheel drive (optional on select models); all-speed traction control with brake and engine intervention; Hydra-Matic 6L50-E 6-speed automatic transmission with performance shifting and Driver Shift Control (clutchless manual operation)

Chassis and Suspension

Brakes

4-wheel disc brakes with anti-lock braking system (ABS) and Brake Assist

StabiliTrak

Computer-controlled, 4-channel Electronic Stability Control System

Steering

Speed-sensitive, variable-assist power rack-and-pinion

Suspension

4-wheel independent design that utilizes a short/long arm, coil-over strut with anti-sway bar in front, and a modified multi-link with anti-sway bar in the rear; both benefit from monotube performance shock absorbers

Standard Interior Features

Airbags⁵

Driver and front passenger dual-stage with Passenger Sensing System; side thorax for driver and front passenger; head-curtain for first-row and outboard second-row passengers

Audio System

8-speaker Bose® sound system, AM/FM stereo with single-slot CD player and Radio Data System (RDS)⁶

Climate Control

Dual-zone automatic, includes individual climate settings for driver and front passenger; rear-window defroster

Console

Front, includes floor shifter, integral armrest, storage, dual cupholders, and two auxiliary power outlets

Cruise Control

Electronic cruise control

Door Locks

Power-programmable automatic locks with central locking and rear-door child safety locks; keyless entry with lock, unlock, and panic functions, includes two transmitters

Driver Information Center

Vehicle status readout

Keyless Access/Adaptive Remote Start

Includes two remote transmitters enabling Adaptive Remote Start, push-button start, and passive entry on both front doors and trunk

Mirror

Electrochromic, auto-dimming inside rearview mirror with compass (compass in mirror not available with navigation)

OnStar⁷

Standard one-year Directions & Connections Plan includes OnStar Turn-by-Turn Navigation

Seating

5-passenger; front bucket seats with Nuance leather seating surfaces and 8-way power adjustment; rear seat with Nuance leather seating surfaces

Steering Wheel

Leather-trimmed, power tilt and telescoping, with fingertip controls for audio

Theft Deterrent System

PASS-Key III immobilizer; audible content theft-deterrent system

Tire Pressure Monitor

Displays individual tire pressure in driver's information display and alerts driver to pressure changes. Does not apply to spare tire

XM Radio⁸

With three trial months

Standard Exterior Features

Lights

Twilight Sentinel automatic operation; projector beam tungsten-halogen headlamps with flash-to-pass, windshield wiper activation, illuminated entry and LED taillamps

Mirrors

Outside heated/rearview mirrors, folding, power-adjustable

Power Trunk Release

Ultrasonic Rear Park Assist

With audible warning

Available Options

All-Wheel Drive (AWD)

Select models

Tire, Compact Spare

Replaces standard inflator kit. Vehicle does not include traditional compact spare

Dimensions and Capacities

Fuel Capacity	Approx. 17 gal.

Wheels Tires

17" x 25" cast aluminum with polished finish fitted with P235/50R17 V-rated all-season tires standard with RWD or fitted with P235/50R17 S-rated all-season tires; standard with available AWD

18" x 8" cast aluminum with polished finish fitted with P235/50R18 (front) and P255/45R18 (rear) W-rated all-season tires. Available on Luxury Package with available AWD. Standard on Premium Package

18" x 8.5" chrome wheel fitted with P255/45R18 summer-only tires.³ Included and only available with Performance Handling Package

Platinum Wheel

18" x 8" chromed aluminum wheel fitted with P235/50R18 (front) and P255/45R18 (rear) W-rated all-season tires

¹ RDS only functions where stations broadcast RDS information. ² Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with this vehicle. ³ Map coverage available in the contiguous United States, Hawaii and portions of Canada. ⁴ Servotronic is a registered trademark of ZF Lenksysteme GmbH. ⁵ Summer-only tires tend to wear faster and are more susceptible to damage from road hazards or curbs impact than standard profile tires. This type of damage is not covered by the GM New Vehicle Limited Warranty. You may want to get different tires if you expect to drive in winter conditions. See your dealer for proper tire selection. ⁶ Always use safety belts and the correct child restraint for your child's age and size, even in vehicles equipped with airbags. Even in vehicles equipped with Passenger Sensing System, children are safer when properly secured in the rear seat, in an appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the vehicle Owner's Manual and child safety seat instructions for more safety information. ⁷ Visit starlink.com for coverage map, details and system limitations. ⁸ Requires a subscription sold separately by XM after trial period. Available only in the 48 contiguous United States and District of Columbia. Visit gm.xmradio.com for details. ⁹ Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Cadillac dealer for additional details.

About this catalog

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing (08/10), please check with your Cadillac dealer for complete details. Any variations in colors shown are due to reproduction variation in the printing process.

Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, or start and end model years at different times.

Note: Some photographs in this catalog show vehicles with optional equipment.

OnStar

OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (466-7827) or visit onstar.com for OnStar's Terms and Conditions, Privacy Policy and details and system limitations.

Engines

Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models.

Tire Sealant and Compressor Kit

Unless you option into a spare tire, there is no jack or spare tire in this vehicle. If you do not option into the spare tire, your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a ¼-inch puncture in the tread area of the tire. After using the inflator kit, it is recommended to take the tire to an authorized dealer for inspection and repair as soon as possible but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than ¼ inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire one time before its expiration date.

Assembly

Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavail-

able when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

Updated Service Information

Cadillac dealers receive useful service bulletins about Cadillac products. You may purchase them from Helm Incorporated by calling 1-800-551-4123 or by visiting www.helminc.com.

New Vehicle Limited Warranty

The Best Luxury Coverage in the Industry, standard on every 2011 Cadillac. This warranty is for Cadillac vehicles registered in the U.S.A. See your Cadillac dealer for terms and conditions.

Covered for 5 Years/100,000 Miles (Whichever Comes First):

Powertrain Limited Warranty with no deductible
Roadside Assistance Program¹
Courtesy Transportation Program¹

Covered for 4 Years/50,000 Miles (Whichever Comes First):

Bumper-to-Bumper coverage
Tires – Defects in material and workmanship
Repairs made to correct any vehicle defect
Corrosion on body sheet metal panels

Rust Through Protection

Cadillac vehicles are designed and built to resist corrosion and rust-through corrosion. Any body sheet metal that rusts through (in the form of an actual hole in the sheet metal) is covered for six years unlimited mileage. Cosmetic or surface corrosion, resulting from stone chips or scratches in the paint, for example, is not included in the Rust Through coverage. Application of additional rust-inhibiting materials is not required under the Rust Through coverage and none is recommended. See your Cadillac dealer for terms of this limited warranty.

Fleet Orders

Some standard content may be deleted with fleet orders. See dealer for details.

¹ Roadside Assistance Program and Courtesy Transportation Program are not a part of the New Vehicle Limited Warranty. A separate booklet entitled "Warranty and Owner Assistance Information" furnished with each new vehicle provides detailed warranty coverage information.

GM, the GM emblem, Cadillac, the Cadillac badge, OnStar, the OnStar emblem and the slogans, emblems, vehicle model names, vehicle body designs and other marks appearing in this catalog are the trademarks and/or service marks of General Motors, its subsidiaries, affiliates or licensors. © 2010 General Motors.
