Count on Guaranty to Be With You Every Mile of the Road.

An RV Travel Center for Everyone!

Traveling through the northwest is a must for the camping and RV enthusiast. It's a bucket list road trip that offers more than just about any other region in the U.S. Whether it's the stunning views of the Oregon Coast with its breathtaking coastline, lighthouses and historical bridges, or the majestic forests with the fresh smell of pine and crystal clear lakes and rivers; the northwest has a little bit of everything for the outdoor enthusiast.

Chances are, when traveling through the many wonders that Oregon and the northwest has to offer, you're going to need something to aid in your travels. Whether it's a part for your RV, tire for your trailer, groceries for the icebox, camping supplies, or just to stop and stretch while you do some laundry, wouldn't it be nice to have a one-stop shop?

For nearly 50 years, Guaranty RV in Junction City has been a leader in the RV industry. The family-owned business has grown to be one of the largest RV dealerships in the U.S. and the largest in Oregon. However, it was missing a key component that could help their customers. As the requests and suggestions poured in, the folks at Guaranty felt it was time to give the customer what they want.

Using the suggestions from RVers, campers, and outdoor enthusiasts alike, Guaranty RV turned what was a vacant building, into a state of the art, 11,000 square foot, all-in-one travel center. Not just any travel center, but a place where RVers and campers can come and know that they've found a true traveler's paradise.

The Guaranty RV Travel Center stocks nearly a million dollars worth of parts and accessories, including hard-to-find parts that you won't find anywhere else. For instance, we stock circuit boards for RVs, siding for motorhomes, RV specific hinges and latches, brake pads and calipers. The parts counter is staffed with seasoned experts that have worked in parts at Guaranty for over 25 years. They are truly honored to serve RV customers and always ready to find you the right part or accessory for your RV. Plus, they have 46 service bays with RVIA Master Certified and ASE Certified technicians ready to handle your installation or repair needs.

Having a parts and accessories department is nothing new to the RV industry, but to call this a true destination, Guaranty knew they had to do more. For starters, they added a convenience store that is unique to the camper and RVer. The store has a large variety of food items including snacks, groceries, hot food, and some of the finest beers the northwest has to offer.

Traveling with your pup? We also have a dog groomer on hand to get your pup smelling fresh and clean! Make your appointment today by calling 541-461-1661.

Doing laundry while traveling is a major hassle. You have to find a laundromat and most of them are in small parking lots, making it difficult to park if you have an RV or trailer. To ease this frustration, the Travel Center includes a laundromat for you to do your laundry while you relax and plan your next adventure.

Need a place to stay for the night? Behind the Travel Center is a campground with RV spots and 50amp hook-ups for those having service work completed.

To complete your one-stop shopping experience, the Travel Center also has propane for sale and an ATM machine inside.

Now the parts and accessories are great and everyone needs to eat, but what if you don't have an RV? For those that want to celebrate the RV lifestyle, but don't have the means to own an RV, Guaranty has a full fleet of RV rentals ready to go. The new Travel Center offers all types of RVs from luxury motor coaches to travel trailers. Whether you want to tailgate for the weekend in style, take a family camping trip, or simply try before you buy, the Guaranty RV Travel Center has you covered.

So if you're looking for a true one-stop shop that fulfills all your traveling needs, come by the Guaranty RV Travel Center in Junction City and see what the ideas and requests of travelers just like you have inspired.
