2013 FRONTIER®

Nissan. Innovation that excites.™ NISSAN FRONTIER®

Shouldn't you drive something you love? Absolutely. And that's what inspires our innovation. We look at every part of your drive and ask how can we make this better, smarter and more fun. So when you get in your new Frontier, you'll feel how exciting the answers can be:

Start with strength. A full-length, fully boxed ladder frame means full-size toughness in a mid-size truck. Go ahead and dish it out. Frontier can take it.

Lock it down. The first of its kind, Frontier's available Utili-track™ system has five channels and four heavy-duty cleats to put your cargo on lockdown. And keep it there.†

Get a grip. Frontier's available electronic locking rear differential is ultimate off-road technology that takes you to the next level of 4x4 capability.

Proceed with power. 261 HP. 281 lb-ft of torque. Tow it, carry it, move it out. You won't find a more powerful V6 in a mid-size truck.

Looking for more? Visit Frontier on Facebook® or Twitter® to see what owners have to say. Find walkarounds, product demos and more on YouTube®.

And follow Nissan Canada on:

MAKE TODAY COUNT.

THE FEELING OF INNOVATION.

Got a major to-do list? No problem. With Frontier,[®] you've got a partner that's up to the biggest challenges. It's a mid-size truck with full-size attitude. 261 HP of 4.0-L V6 muscle and up to 6500 lbs. of towing capacity to get the job done.¹ A fully boxed ladder frame and advanced off-road technology so you can get there with ease. King Cab or Crew Cab, there's room for work or play. And with PRO-4X,[®] the ultimate off-road Frontier, you've got the gear you need to make every hill feel like home. The 2013 Nissan Frontier.

Nissan. Innovation that excites.[™]

Nissan Frontier SL Crew Cab Long Bed shown in Night Armour with accessory Mud Guards.

¹King Cab 4x2 models with V6. 7-pin connector trailer wire harness and tow hitch receiver required. See Nissan Towing Guide and Owner's Manual for proper use.

THE FEELING THAT THE CAR CAN COME, TOO.

Power – either you've got it, or you don't. And with Frontier, you've got it in a big way. With a 4.0-litre engine packing 261 horsepower, you won't find a more powerful V6 in its class.¹ And with a massive 281 lb-ft of torque, you can tow or haul just about anything you need to bring along. Maybe it's because we're a company that loves to compete – off-road, on the racetrack, even in the showroom. But wherever we win, we're happy to share the prize with you.

261
HORSEPOWER

281
LB-FT OF TORQUE

6500
LBS. (2948 KG) MAX TOWING²

A 4-cylinder that feels like a 6. Frontier also offers a 2.5-L 4-cylinder that pumps out 152 horsepower, 171 lb-ft of torque and features a compact balancer system to deliver the smoothness of a V6.

Rocket science. The 24-valve 4.0-L V6 works its magic with advanced technology, including a lightweight aluminum engine block, advanced valve timing system, variable intake and race-bred friction-reducing technology.

Gear up. You can harness the 4-cylinder's power through a 5-speed manual transmission or an available 5-speed automatic. The V6 is available with either a 6-speed manual or 5-speed automatic transmission.

TREAT 'EM LIKE PEBBLES.

The ultimate off-road Frontier, the PRO-4X.[®] Exhibit championship form with unrivaled gear, including Bilstein[®] off-road performance shocks, an electronic locking rear differential, 4-wheel Active Brake Limited Slip (ABLS), skid plates and 265/75R16 BFGoodrich[®] Rugged Trail T/A[®] tires. Add in unique 16" 6-spoke alloy wheels, halogen fog lights and an exclusive interior, and you've got a winning combination, inside and out.

PRO-4X[®]

Hill start assist. When starting on steep hills from a stop, hill start assist will help keep you from rolling backwards. It holds brake pressure for a few seconds, allowing you enough time to switch from the brake pedal to the accelerator.³

Hill descent control. When driving down a steep grade in 4WD, hill descent control can help. Just flip the switch, ease your foot from the accelerator, and this system automatically maintains speed and brake pressure to help provide a controlled descent.³

Electronic locking rear differential. When 4x4 mode just isn't enough, flip the switch to activate the electronic locking rear differential. This ultimate off-road feature delivers equal power to both rear wheels to boost traction and help keep your truck moving forward. When engaged, it works in conjunction with the 4-wheel Active Brake Limited Slip (ABLS). So while the locking rear differential keeps the rear wheels powered to move you ahead, ABLS helps give you the traction you need up front to help maintain steering control.

Nissan Frontier PRO-4X King Cab shown in Lava Red.

Nissan Frontier SV V6 King Cab shown in Brilliant Silver with optional equipment.

¹Association of International Automobile Manufacturers of Canada (AIAMC) Small Pickup Segmentation. ²King Cab 4x2 models with V6. 7-pin connector trailer wire harness and tow hitch receiver required. See Nissan Towing Guide and Owner's Manual for proper use. ³Automatic transmissions only. Cargo and load capacity limited by weight and distribution. Always secure all cargo.

FULLY BOXED. FULLY CAPABLE.

Four walls are stronger than three. That's why Frontier features a full-length, fully boxed ladder frame instead of the 3-sided, open C-shape rails found on some other trucks. The frame is built with super-high-tensile-strength steel in strategic areas for improved structural rigidity. This rugged material is stronger than conventional steel, for increased torsional stiffness that ultimately delivers enhanced performance, on- and off-road. And it's the perfect foundation to build upon with our advanced technology.

- ① Overslung rigid leaf-spring rear suspension
- ② Available heavy-duty Dana® rear axle
- ③ 4-wheel vented disc brakes with Anti-lock Braking System (ABS)
- ④ Steel double-wishbone front suspension

Anti-lock Braking System (ABS) rapidly pumps the brakes during hard braking to help keep your wheels from locking up, thus helping you to steer around an obstacle.

Electronic Brake force Distribution (EBD) senses additional weight, whether it's a full cargo bed or a full tank of gas, and sends extra force to the rear brakes.

Brake Override Technology. Standard on every Frontier, it's designed to help slow down your vehicle and bring it to a safe stop in an emergency. It works by overriding accelerator input and reducing engine power when the accelerator and brake pedals are applied simultaneously.

Vehicle Dynamic Control (VDC):¹ Also known as electronic stability control, VDC monitors driver inputs and vehicle motion and helps compensate for oversteer or understeer to help keep you on your intended path.²

Active Brake Limited Slip (ABLS). To help keep your wheels from spinning, Frontier offers ABLS. This system senses when a wheel begins to slip, then automatically brakes the slipping wheel (or wheels) and sends additional power to the wheels with the best traction.²

¹VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ²Standard on all models. Dana® is a registered trademark of Dana Corporation. Some components have been chrome-plated or painted for display purposes only.

PUT ON THE SUBMISSION HOLD.

The Utili-track™ Channel System on Frontier gives you choices few other trucks can match. No matter what type of cargo you're carrying, this available system is fully equipped to help keep it secured tightly. Five channels, four cleats and a lot of thought about how people really use their trucks have created a system that's simple, rugged and offers near-infinite possibilities.

4 CLEATS

Frontier's four heavy-duty forged aluminum cleats easily slide in the channels for unmatched flexibility to tie things down – and the strength to hold them.

5 CHANNELS

Unmatched versatility comes in the form of five channels – including two channels in the floor, a feature few competitors can match. And since you can lock the cleat anywhere along the rail, Frontier makes sure you find the best position to secure whatever you bring along.

SPRAY-ON BEDLINER

Adding to the incredible versatility of the bed, the available spray-on bedliner is applied at the factory – so you know it's done right. Fade- and weather-resistant, it's a rugged, non-skid surface that adheres directly to the bed to help prevent rusting.

LOADS OF ACCESSORIES

There's also a full line of accessories to help you get even more out of Utili-track™, including a Sliding Tool Box, a Sliding Bed Divider and a Sliding Bed Extender.

Cargo and load capacity limited by weight and distribution. Always secure all cargo.

FRONTIER CREW CAB.

Space, or comfort? Why not both? Forward-hinged doors make for easy entry, while a 60/40 split rear bench allows seating for five and folds easily to create a large, flat surface. Or you can flip up the rear seat cushions for more storage room. There's also an under-seat storage tray that's removable for even greater flexibility.

FOLDS FLAT

FLIPS UP

FRONTIER KING CAB.

Smart design means rear doors that give your passengers easy access to the cabin. And with no B-pillars, you also get a huge opening for larger-than-life items. The two rear seats flip up and out of the way to reveal a large open space for cargo. You can even fold down the front passenger seat to carry larger items, or to make a flat writing surface.

Nissan Frontier SL Crew Cab shown in Steel Leather.

Nissan Frontier PRO-4X King Cab shown in Graphite Steel Cloth.

Safety. First and foremost. In Frontier, making your protection our priority starts with six standard airbags, including seat-mounted side-impact supplemental airbags and roof-mounted curtain side-impact supplemental airbags. The advanced front seat belts on every Frontier feature pretensioners that automatically help tighten the belts when the front airbags deploy.¹ And if your body puts too much force on the belt, load limiters give a bit. During a rear-end impact, front-seat Active Head Restraints move up and toward you to meet your head part of the way, helping close the gap and reducing the chance of whiplash.

¹Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. Inflated airbags shown for illustration purposes only, actual coverage area may differ. Airbags deflate after deployment.

U.S. instrumentation shown.

BRING THE MAN CAVE WITH YOU.

Comfort? Entertainment? Cup holders? Check, check and check. Whether you're on the job or on the go, Frontier gives you everything you need to make your space, well, yours. A great-looking interior plus an available leather-wrapped steering wheel with controls to operate the available cruise control and audio – all the better to crank up the available Rockford Fosgate-powered audio system. Dual Zone Automatic Temperature Control (ATC) so you and your passenger can set your own climates. And with the new available Nissan Navigation System with 147 mm (5.8") touch-screen display, you can plan your next adventure without ever leaving the driver's seat.¹ If only everything were so convenient.

What if you could see objects behind you when parking? The available RearView Monitor automatically activates whenever you're in reverse, making it ideal for lining up your approach to a trailer. Now that's handy.²

The available Bluetooth[®] Hands-Free Phone System lets you make and take calls with your hands on the wheel and listen to calls through the audio system's speakers.⁴

Your tunes sound better through an available Rockford Fosgate-powered audio system, featuring 10 speakers, including subwoofers, and SiriusXM Satellite Radio.²

NISSANCONNECTSM

ANY WAY YOU WANT IT. Why settle for just the radio? By putting the latest technologies right at your fingertips, Frontier gives you all you need for hours of endless entertainment. Rock on.

Bluetooth[®] audio streaming. Want to let your passengers play DJ? Available Bluetooth[®] audio streaming lets you connect a Bluetooth[®]-enabled audio device to play music wirelessly, from any seat in the cabin.⁴

SiriusXM Satellite Radio. Looking to expand your taste? With available SiriusXM Satellite Radio, you can explore emerging artists or even rediscover an old favourite. More than 100 stations means there's always plenty to choose from, like commercial-free music, sports, talk radio and more – giving you hours of endless entertainment.²

iPod[®]/USB input. Would you like to be able to listen to your own playlists or podcasts? With the available iPod[®]/USB input, you can. Plug in your iPod[®] or other portable MP3 player through the USB port and control it through Frontier's audio controls.⁵

ALWAYS UP TO DATE. Navigate your way through the concrete canyons, call up some friends, or use Google[™] services capability to find that new restaurant with available NissanConnectSM as your guide.⁵

Nissan Navigation System. Frontier's available 147 mm (5.8") touch-screen display offers NavTraffic for real-time advisories to keep you on the move. You can even get the latest fuel prices, weather forecasts, and flight status information, right in the display.^{1,7}

Points of Interest powered by Google[™] Find that new restaurant in a snap. Based on the latest information, Google[™] Points of Interest capability lets you search for a location, even without knowing the name or category. Once you find it, select it and you're on your way.⁵

Google[™] Send-To-Car capability. Send an address to your Nissan Navigation System from any computer. When you start the car and connect to the network, the directions will be delivered and loaded into your navigation system. Now, that's cool.^{1,5}

Hands-free text messaging assistant. This available feature lets you receive and respond to text messages without ever touching your phone. Have your messages read to you and select from pre-set responses, right in the display.⁸

GET THE FRONTIER[®] YOU WANT. HOW YOU WANT IT.

TRIM BUILD

Frontier King Cab

S

Features 152 HP 2.5-litre 4-cylinder engine mated to a 5-speed manual or a 5-speed automatic, engine block heater, 4-wheel disc brakes with ABS, Active Brake Limited Slip (ABLS), Vehicle Dynamic Control (VDC), Traction Control System, rear access doors, upper body-colour/lower black front bumper and chrome rear bumper, privacy glass, fold-flat front passenger seat, forward-facing rear flip-up seats, AM/FM/CD audio system, air conditioning, Tire Pressure Monitoring System (TPMS)⁹, carpeted floor mats and six standard airbags. **Key available package:** S Value Package. This trim level is available in 4x2 only.

Frontier Crew Cab

SV INCLUDES S EQUIPMENT PLUS:

261 HP 4.0-litre V6 engine with a 6-speed manual transmission or a 5-speed automatic transmission, Active Brake Limited Slip (ABLS), 16" aluminum-alloy wheels, front tow hook (4x4 models only), body-colour front bumper, Bluetooth[®] Hands-Free Phone System,⁴ AM/FM/CD audio system with 109 mm (4.3") colour display, illuminated steering wheel-mounted audio controls, USB connection port, SiriusXM Satellite Radio², anti-theft system and Immobilizer Key System. 4x4 automatic transmission models also include hill descent control and hill start assist. **Crew Cab adds:** Rear window defroster. **Key available package:** SV Premium Package

PRO-4X INCLUDES SV EQUIPMENT PLUS:

PRO-4X Bilstein[®] shocks, electronic locking rear differential, skid plates, P265/75R16 BFGoodrich[®] Rugged Trail T/A[®] OWL tires, 16" aluminum-alloy off-road wheels, High Utility Bed, fog lights, satin chrome grille, body-colour front and rear bumpers, splash guards, door handles and outside mirrors, RearView Monitor, Rear Sonar System, auto-dimming rearview mirror, digital compass and outside temperature display, multi-functional trip computer, Dual Zone Automatic Temperature Control (ATC), PRO-4X embroidered cloth seat trim, white contrast interior stitching, white-faced gauges. **Crew Cab adds:** Roof rack with crossbars, power sliding glass moonroof and Rockford Fosgate-powered audio system. **Key available package:** PRO-4X Leather Package. This trim level is available in 4x4 only.

SL INCLUDES SV EQUIPMENT PLUS:

5-speed automatic transmission, 18" aluminum-alloy wheels, fog lights, chrome front bumper, roof rack with crossbars, step rails, power sliding glass moonroof, chrome door handles and outside mirrors, NissanConnectSM with Navigation, RearView Monitor and Rear Sonar System, Dual Zone Automatic Temperature Control (ATC), auto-dimming rearview mirror with HomeLink[®] universal garage-door opener, Rockford Fosgate-powered audio system, 8-way power adjustable driver's seat, 4-way power adjustable passenger's seat, leather seating surfaces, heated front seats, leather-wrapped steering wheel. This trim level is available in 4x4 only.

¹Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ²XM[®] Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. Subscription subject to customer agreement at siriusxm.ca. All fees and programming subject to change. © 2012 Sirius XM Canada Inc. The Sirius and XM names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. ³Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁴Availability of specific features is dependent upon the phone's Bluetooth[®] support. Please refer to your phone Owner's Manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. ⁵POIs powered by Google[™]. ⁶Google[™] Send-to-Car, Real-Time Weather, Real-Time Fuel Prices, and Real-Time Flight Information may require subscription and owner consent to activate. Service[s] provided by independent companies not within Nissan's control. Should service providers terminate/restrict service, service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment replacement or upgrades, or associated costs, that may be required for continued operation due to service changes. Certain remote functions require compatible phone, not included with vehicle. Cellular network provided by independent cellular companies not within Nissan's control. Cellular network not available in all areas. Standard text rates, voice minutes, roaming charges and/or data usage may apply. NissanConnectSM with Navigation is available only on PRO-4X Crew Cab with PRO-4X Leather Package and SL Crew Cab models. ⁷Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. ⁸NavTraffic[®] is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 7 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Ottawa, Montreal and Quebec City). Limited flow data is available for Toronto. Subscription sold separately after trial period. Subscriptions subject to customer agreement at siriusxm.ca. Fees and programming subject to change. © 2012 Sirius XM Canada Inc. XM name and NavTraffic are registered trademarks of Sirius XM Radio Inc. Nissan has taken care to ensure that the colour swatches presented here are the closest possible representations of actual vehicle colours. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see your local Nissan Dealership for actual colours and pricing information.

ACCESSORIES

GENUINE NISSAN ACCESSORIES. IMPRESS. CONNECT. PROTECT. ORGANIZE.

Every Genuine Nissan Accessory is custom-fit, custom-designed and durability-tested; backed by Nissan's 3 year/60,000 km Accessories limited warranty; and can be financed when installed by dealer at time of purchase.⁴

- A. Fog Lights**
Help light your way in rain, sleet or snow.
- B. Non-sliding Tool Box**
Like a treasure box for your tools.
- C. Hood Deflector**
Give your hood a fighting chance.
- D. Step Rails**
Need a boost? Here's your ticket.
- E. All-season Rubber Floor Mats**
Don't let the muck mess up your truck.
- F. Weight Distributing Ball Mount^{5,6}**
So you can tow and go.

See your Nissan dealer for details, or go to accessories.nissan.ca

COMMITMENT

Buying and owning a Nissan is like driving one: quick, convenient, confidence-inspiring.

Finance Options Through Nissan Canada Finance, we offer many attractive purchase and lease programs, all with competitive rates and terms. With our flexible finance options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2013 Nissan is covered by a 3 year/60,000 km⁷ Comprehensive New Vehicle Warranty, a 5 year/100,000 km⁷ Powertrain Warranty, an 8 year/130,000 km⁷ Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Nissan's philosophy toward the environment, "Seeking a symbiosis of people, vehicles and nature," describes our ideal for a sustainable mobile society, now and in the future. We launched the Nissan Green Program with specific objectives to realize this goal, and we are pursuing it energetically.
