IT'S A WHOLE NEW WAY TO MOVE.
Discover brilliance at your fingertips. Start the engine with a push of a button. Make a quick getaway with the outstanding response and smoothness of a CVT transmission. Choose Sedan or Coupe. Thrilling performance and exceptional quality come with both. Touch-screen navigation gets you there with ease. An efficient 4-cylinder or potent V6 makes getting there a blast. Keep both hands on the wheel. This is one of the most exhilarating cars on the road. At Nissan, we make cars better to make your life better. It’s a whole new way to move through the world. And you’re invited.
Pure genius at your fingertips. From a night on the town to long hours on the road, Altima delivers the power, handling and technology to keep you ahead of the game. Push Button Ignition brings a potent 270 HP V6 to life, intelligent CVT transmission gives you unparalleled response and smoothness, while a touch-screen Nissan Navigation System makes getting to your destination a breeze.

Nissan Altima 3.5 SR Sedan shown in Airstream with accessory spoiler.
Available hybrid energy drive offers an alternative to traditional engines.

Sculpted character line creates the look of motion, even at rest.

With over 5000 quality and durability tests performed on Altima, you can be sure it’s built to last.

Expect performance kilometre after kilometre with an extremely durable timing chain and long-lasting spark plugs.

1 Available equipment. See Specifications section for details. 2 Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. See Specifications section for availability. 3 See Owner’s Manual for details.
You can afford to have expensive tastes.

Take a moment to indulge in Altima Sedan's surprisingly plush interior. Heated front seats – available with either cloth or stitched-leather seating surfaces – make it hard to leave. Unexpected upscale touches, like wood-tone details and patterned metallic accents, are options that invite you to stay. Relish the spaciousness. The comfort of the available Dual-zone Automatic Climate Control. You'll want to stick around for a while to get the full sensory experience.

Nissan Altima 3.5 SR Sedan shown in Blond with Leather Package.
Nissan Intelligent Key.® Tap a button on the door handle or trunk to unlock them. The keys can stay in your pocket or purse.

Bluetooth.® Make and receive calls with both hands on the wheel using the available Bluetooth® Hands-Free Phone System. And with the available navigation system, you can even stream music via Bluetooth® wireless technology.

Push Button Ignition. There’s no need to touch the key. Just push the button and go.

*Availability of specific features is dependent upon the phone’s Bluetooth® support. Please refer to your phone Owner’s Manual for details. Cell phone not included. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence.
Go ahead, take on the world. Altima offers enough technology to handle almost anything life can throw at you. An available custom-tuned Bose® audio system features nine speakers for the ultimate listening experience, while its 109 mm (4.3”) colour display makes for easy access. Add in a USB input and MP3/WMA compatibility, which makes listening to your digital music collection a breeze, and you’ll be thoroughly entertained on even the longest road-trips. This is technology built to perform.
Available Music Box® stores up to 2900 songs on its 9.3 GB hard drive, while the available XM® Satellite Radio offers almost limitless road-going entertainment.¹

Available USB Input. Plug your iPod® in and control it with the audio system or play music from a USB flash drive or another compatible storage device.²

Nissan Navigation System. Stay on schedule with turn-by-turn Voice Guidance. Get the most out of your trip with 5 million points of interest. Adjust the angle and get a better sense of where you are with Birdview.³ And count on the RearView Monitor to lend a helping hand in tight parking situations.³ Wherever your life takes you, the Nissan Navigation System with a 165 mm (6.5") touch-screen monitor is always ready to keep you one step ahead.⁴

Choose your engine. Then put fun through its paces.

Whether you opt for the fuel-efficient 175 HP 4-cylinder or legendary 270 HP V6, you’ll get both effortless performance and the peace of mind you deserve. Amazing fuel economy and strong, smooth power delivery. Made all the better by a smooth and seamless intelligent CVT transmission. Top it all off with Z-inspired suspension featuring a lightweight multi-link design and standard technologies like Vehicle Dynamic Control (VDC) and a Traction Control System (TCS), and you’ll quickly see how Altima Sedan is loaded for fun.

Nissan Altima 3.5 SR Sedan shown in Airstream.
**A smarter way to shift.** Virtually “gearless” intelligent CVT (Continuously Variable Transmission) that makes shift shock and gear hunting a thing of the past. Fully variable gear ratios mean the CVT always delivers the right amount of power to the wheels whenever you hit the throttle.

**175 HP 4-CYLINDER**

**OR**

**270 HP V6 ENGINE**

**6.0 L/100 KM (47 MPG) Hwy**

**7.3 L/100 KM (39 MPG) Hwy**

---

1. 2011 Altima fuel consumption estimate. Actual mileage may vary with driving conditions – use for comparison only. Mileage listed for 2.5 S and 3.5 S with CVT.
2. VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely.
Let's work together. Altima Hybrid’s energy drive shares work duties between an ultra-clean gasoline-powered 2.5-litre 4-cylinder engine and an emissions-free electric motor. To maximize fuel economy and minimize environmental impact, the Altima automatically shuts the gasoline engine down when it isn’t needed, such as at stoplights, low speeds or coasting. When extra power is needed, the gasoline engine starts instantly and unobtrusively. It even captures braking momentum and converts it to electrical energy to recharge the battery.

Advanced Technology Partial Zero Emissions Vehicle (AT-PZEV). It may sound like alphabet soup, but its recipe is easy to understand. First, surpass the U.S. government’s strict Super Ultra Low Emissions Vehicle (SULEV) standards. Next, meet all ultra-stringent Partial Zero Emissions Vehicle (PZEV) requirements, including near-zero evaporative emissions. Then enjoy the rare treat of an environmentally friendly blend of superior performance and efficiency.

Nissan Altima 2.5 S Hybrid Sedan shown in Satin White.
Stay in the know. Add the Leather Tech Package and get the hard-drive Nissan Navigation System. It features a real-time display showing how the hybrid system directs the flow of energy. And for big grins, you can watch Altima Hybrid produce low L/100 km numbers on the vehicle information display. The display also shows you when you’re running solely on electric power. Add to that the convenience of Bluetooth® and the luxury of supple leather seating and you’ve got a winning recipe.

5.6 L/100 KM (50 MPG) City

U.S. instrumentation shown.

*Actual mileage may vary with driving conditions – use for comparison only. *The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence.
Altima Coupe: Thrilling from the get-go.

True Coupe. The attraction is inevitable. With alluring style all its own, this Altima was designed to be a true coupe from the ground up. Altima Coupe quickens your pulse with its sleek lower roofline and agile shorter wheelbase. The way it skims more closely over the pavement with a reduced ride height. And the exhilaration you’ll feel every time you meet a bend in the road.
Shorter wheelbase and aggressive lower stance for quick response.

Performance-oriented light-weight aluminum hood.

Standard 17" aluminum-alloy wheels or aggressive 18" wheels with Michelin® tires on the 3.5 SR.

Unique front and rear fascias, headlights and taillights.

*Michelin is a registered trademark of Michelin North America, Inc.*
The passion starts with power.

Two exciting choices. One thrilling ride. Nissan’s VQ 3.5-litre V6 comes on strong with a whopping 270 horsepower. Its advanced valve timing control system works over a wider rpm range for commanding low-end torque and a relentless rush of power. While the high-energy 175 HP 4-cylinder is responsive and velvety, thanks to ultra-slick surfaces within the engine and a unique balance shaft that reduces engine vibration, producing V6 levels of refinement.
How would you harness all this power? The 6-speed manual is geared to maximize power by reducing rpm drop between shifts, bringing you the ultimate thrill. Or say goodbye to gear hunting with the available intelligent CVT (Continuously Variable Transmission). With fully variable gear ratios, the CVT always delivers the right amount of power to the wheels whenever you step on the gas. It also offers manual mode for when you want to grab that certain gear for yourself.
Rediscover your love for driving.

Infused with the same engineering ideals that go into our legendary 370Z™, Altima Coupe's fully independent suspension ensures your drive will never be routine. Excess weight is a drag when it comes to handling, so many of the Altima Coupe's suspension components are forged from an aluminum-alloy much lighter than steel. Combined with a multi-link rear suspension design and front and rear stabilizers that reduce body roll, you'll quickly realize – Altima Coupe is built to perform.

Nissan Altima 3.5 SR Coupe shown in Ink Blue.
Vehicle-speed-sensitive steering provides just the right amount of boost to help give you a secure, confident feel at different speeds.

Vehicle Dynamic Control (VDC)\(^1\) helps keep you on your steered course, while adjusting for oversteer or understeer.

Traction Control System (TCS) senses when a front wheel slips, then reduces engine power or applies brakes to restore grip.

Electronic Brake force Distribution (EBD) constantly monitors weight distribution and adjusts rear brake force for more balanced braking.

\(^{1}\)VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely.
Technology on the fast track.

Altima Coupe does a lot, and does it well. Advanced technology is at the forefront with the available 9-speaker Bose® audio system featuring a 109 mm (4.3") colour display. View your iPod® playlists on the monitor and even browse through the folders with just a touch of an audio button. Add in perfectly placed controls, sleek materials and sport bucket front seats with large bolsters for lateral support in curves, and you’ve got style with purpose. Settle in, turn up the volume and enjoy the ride.
Adjustable Map Angle

RearView Monitor

Navigation. The available super-smart hard-drive navigation system keeps you on course and on time. Use the convenient 165 mm (6.5") touch-screen and enjoy turn-by-turn Voice Guidance to find the best route. Make sure you don’t miss any of the sights with 5 million points of interest. Count on the adjustable map angle to give you a better sense of where you are. And trust in the RearView Monitor to lend a hand in tight parking spots.

Music Box® stores thousands of your songs on its hard drive, while 130 channels of entertainment from XM® Satellite Radio means this is one ride you’ll never want to end.

USB input lets you plug into podcasts and playlists with your iPod® or play digital music files from a USB flash drive.

Bluetooth® Hands-Free Phone System keeps you connected with both hands on the wheel. Activates via steering wheel-mounted controls.

by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ©Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. See Specifications section for availability. The optional RearView Monitor is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. The RearView Monitor may not detect every object behind you. ®Bose is a registered trademark of The Bose Corporation. ®iPod is a registered trademark of Apple, Inc. Every Altima delivers a solid commitment to safety.

Built to serve and protect. Because we’ve got you in mind, the Nissan Safety Shield includes over 50 safety features specifically designed to help take care of you. Standard airbags, six of them, and front-seat Active Head Restraints that move up and forward in certain rear-end collisions are there to help cushion the blow if one should occur. No one could forget the kids, so every Altima includes the LATCH System for easier child seat installation. Just a few of the ways we show our commitment to your safety.

Nissan Advanced Airbag System (AABS) includes dual-stage supplemental front airbags with seat belt sensors and an occupant-classification sensor. The inflation rate of these dual-stage airbags adjusts depending on crash severity and seat belt usage. Built into the front seats, two supplemental airbags offer side-impact protection and move with you as you adjust your seating position. Plus, roof-mounted curtain side-impact supplemental airbags help provide head protection for both rows of outboard occupants.

Another Nissan First. Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids™ Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers tips on correct installation. Look for the latest Fit Guide at nissan.ca/owners/en

Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger’s seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner’s Manual for more details. Inflated airbags shown for illustration purposes only. Actual airbags deflate after deployment.

- 12-volt DC power outlets (2) and retained accessory power
- Illuminated centre console
- Trunk side net

**Seating/Appointments**

- 6-way manual adjustable driver’s seat
- 8-way power adjustable driver’s seat
- Power driver’s seat lumbar support (manual on Coupe)
- Heated front seats
- Cloth seats
- Leather seating surfaces
- Leather-wrapped steering wheel
- Leather-wrapped shift knob
- Metallic-tone trim (Frost and Charcoal Cloth interior)
- Wood-tone trim (Blond interior)
### Packages

**2.5 S Luxury Package (Sedan Only)**
- 16" Aluminum-alloy wheels • Power sliding glass moonroof with tilt feature • 8-way power adjustable driver’s seat • Heated front seats • Leather-wrapped steering wheel with steering-wheel-mounted audio controls • Front-passenger window one-touch auto-down/up and anti-pinch feature • Key-operated front windows up/down • Remote keyless front windows down • Dual illuminated visor vanity mirrors with sun visor extenders • Wood-tone trim (Blond interior) • Trunk side net • Special Edition badge

**2.5 SL Package (Sedan Only)**
- Folding outside mirrors with turn signal indicators • Leather seating surfaces • Power driver’s seat lumbar support • Leather-wrapped shift knob • Bose® audio system with 109 mm (4.3”) colour display • XM® Satellite Radio® • USB connection port for iPod® interface • Speed-sensitive volume control • Bluetooth® Hands-Free Phone System • Dual-zone Automatic Climate Control (ACC) • RearView Monitor • HomeLink® universal garage-door opener • Auto-dimming rearview mirror with compass • Centre console rear passenger vents • Illuminated centre console • Textured metallic-tone trim (Blond interior)
- Requires 2.5 S Luxury Package and CVT.

**3.5 SR Leather Package (Sedan Only)**
- Leather seating surfaces • Power driver’s seat lumbar support • Leather-wrapped shift knob • Bose® audio system with 109 mm (4.3”) colour display • XM® Satellite Radio® • USB connection port for iPod® interface • Speed-sensitive volume control • Bluetooth® Hands-Free Phone System • RearView Monitor • HomeLink® universal garage-door opener • Auto-dimming rearview mirror with compass • Centre console rear passenger vents • Illuminated centre console • Wood-tone trim (Blond interior) • Textured metallic-tone trim (Charcoal interior)

**2.5 S Premium Package (Coupe Only)**
- Leather seating surfaces • Bose® audio system with 109 mm (4.3”) colour display • XM® Satellite Radio® • USB connection port for iPod® interface • Speed-sensitive volume control • Bluetooth® Hands-Free Phone System • RearView Monitor • HomeLink® universal garage-door opener • Auto-dimming rearview mirror with compass • Centre console rear passenger vents • Illuminated centre console • Wood-tone trim (Blond interior) or textured metallic-tone trim (Charcoal interior)

**Technology Package (3.5 SR Coupe, 2.5 S Sedan, 3.5 SR Sedan)**
- Nissan Hard Drive Navigation System with GPS, 165 mm (6.5”) touch-screen colour monitor with compass, and voice recognition • 9.3 GB Music Box® hard drive for digital music storage and playback • DVD playback capability • Auxiliary audio/video input jacks • Streaming audio via Bluetooth® wireless technology • Deletes compass in mirror
- Requires 2.5 SL Package or 3.5 SR Leather Package.

**Leather Tech Package (Hybrid Only)**
- Includes features of the Technology Package, plus:
  - Leather seating surfaces • Power driver’s seat lumbar support • Leather-wrapped shift knob • Bose® audio system • XM® Satellite Radio® • USB connection port for iPod® interface • DVD playback capability • Speed-sensitive volume control • Bluetooth® Hands-Free Phone System • Hybrid energy flow and energy/fuel history display • RearView Monitor • HomeLink® universal garage-door opener • Auto-dimming rearview mirror • Centre console rear passenger vents • Illuminated centre console • Textured metallic-tone trim

† Extra cost option

Nissan has taken care to ensure that the colour swatches presented here are the closest possible representations of actual vehicle colours. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see your local Nissan Dealership for actual colours and pricing information.
Genuine Nissan Accessories

Every Genuine Nissan Accessory is custom-fit, custom-designed and durability-tested. Each one is backed by Nissan’s 1 year/20,000 km Parts and Accessories limited warranty. Plus, they’re just a few dollars a month when financed with vehicle purchase. See your Nissan dealer for more information on Altima accessories or log on to accessories.nissan.ca

Commitment

From the moment you first think about a Nissan to the time you actually drive off the lot and long beyond, we want every experience to be special. Passionate. Exhilarating. Like the vehicles we design and build. After all, what’s excitement without commitment?

Finance Options Through Nissan Canada Finance, we offer many attractive purchase and lease programs, all with competitive rates and terms. With our flexible finance options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2011 Nissan is covered by a 3 year/60,000 km Comprehensive New Vehicle Warranty, a 5 year/100,000 km Powertrain Warranty, an 8 year/130,000 km Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you’ll also receive a 3 year Roadside Assistance program available to you 24 hours a day.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It’s our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Nissan’s philosophy toward the environment, “Seeking a symbiosis of people, vehicles and nature, describes our ideal for a sustainable mobile society,” now and in the future. We launched the Nissan Green Program with specific objectives to realize this goal, and we are pursuing it energetically.

Continue your excitement at nissan.ca You’ll find virtual product demonstrations, a way to “build your own Nissan,” a dealer locator, and more information about key Nissan support and services.

1Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. 2Always give your full attention to driving. Avoid operating your iPod® in such a way that you can be distracted during vehicle operation. See dealer for details. iPod is a registered trademark of Apple, Inc. All rights reserved. iPod not included. 3The optional RearView Monitor is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. The RearView Monitor may not detect every object behind you. 4Availability of specific features is dependent upon the phone’s Bluetooth® support. Please refer to your phone Owner’s Manual for details. Cell phone not included. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. 5Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. See Specifications section for availability. 6Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front passenger’s seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. See your Owner’s Manual for more details.
