

2011 NISSAN
PATHFINDER

IT'S A WHOLE NEW WAY TO MOVE.

Tough. Rugged. And innovative. So what are you waiting for? Where Pathfinder® goes, so does refined adventure – along with friends, in three rows of seating. It's the muscle of a V6 that gets it all done, while all-terrain expertise pairs up with high-tech sophistication. It's a whole new way to move through the world. And you're invited.

Nissan Pathfinder LE shown in Niagara Grey.

On-road performance. Off-road expertise.

Whether you're facing long stretches of highway or breaking new trail, Pathfinder has the power and capability to get the job done. The 24-valve VQ engine delivers seamless power with optimum fuel efficiency, while advanced off-road features and a fully boxed frame give you the means to get there – no matter how far off the beaten path it is.

All-terrain obsession.

Your wandering ways are too powerful to deny. So why not go with it? With a full-length boxed frame at its core, plus authentic off-road gear, you're equipped to take on the road less travelled.

All-Mode 4WD®

The system constantly monitors conditions to provide optimal traction on varying terrain. Switch into "Auto" mode and it automatically senses any loss of grip and shifts between 2WD and 4WD as needed.

4.0
Litre V6

266
Horsepower

288
lb-ft of torque

6000 (2722 kg)
lbs. max. towing[†]

Nissan Pathfinder LE shown in Ebony.

Active Brake Limited Slip (ABLS)

Help keep your wheels from slipping. This advanced system senses when a drive wheel(s) is spinning and automatically applies the brake to the slipping wheel(s) to help get you back on better footing.

Full-Length Boxed Frame

At Pathfinder's core, a fully boxed frame (instead of open channel rails) provides increased torsional stiffness and ultimately delivers enhanced performance, on- and off-road.

Independent Front and Rear Suspension

It does more than absorb the ups and downs of daily life. Its road-smoothing advantages make for better ride and handling, especially for the third row.

[†]Trailer brakes recommended for towing over 454 kg (1000 lbs). Weight-distribution hitch should be used for towing over 907 kg (2000 lbs).

Connect with nature in complete comfort as the roomy, well-tailored interior of Pathfinder takes you to new heights. Count on wide-open spaces and tucked-away bins to give you plenty of places for your gear and incidentals. Top it all off with a third row and 64 different seat configurations and you'll quickly realize – in Pathfinder – comfort and capability go hand in hand.

First-class surroundings.

Fold the third row flat and you've got room for 5 and an expansive 1393 litres (49.2 cubic feet) of cargo space with a flat floor.

Fold just part of the second and third rows for longer items. Use the trick fold-down front passenger's seat and you can carry 4 plus an 8-foot-long item!

Sometimes, that big sale is just too much to resist. And with over 2243 litres (79.2 cubic feet) of room, you don't have to.

Memory System stores your favourite spots for driver's seat, power pedals and outside mirrors¹

Dual Zone Automatic Climate Control (ACC) provides personal attention and total comfort¹

Heated front seats and steering wheel keep the chill away¹

Third row gives you maximum flexibility. Take more passengers or fold it flat for extra cargo

Nissan Pathfinder LE shown in Graphite Leather with Pathmaster® Nissan Navigation Package. U.S. instrumentation shown.

Dual-level Glove Compartment holds a surprising amount and locks for total security.

Side Pocket conveniently stores everything near at hand.

Side Pocket Nets are ready to help keep your gear in place even on the roughest roads.

¹See Specifications section for availability.

Nissan Pathfinder LE shown in Graphite Leather with Pathmaster® Nissan Navigation Package. U.S. instrumentation shown.

Convenience on command.

Just ask, and the available voice-recognition navigation system will show you the way. Or tap the touch-screen and put everything you need at your fingertips. Combine it all with a Bose® audio system and 9.3 GB Music Box® hard drive and you're in for a pleasant journey, wherever you go!

Lane guidance

Key points of interest

¹Factory-installed option. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ²XM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. Subscription subject to terms and conditions at xmradio.ca. All fees and programming subject to change. © 2010 XM Satellite Radio Inc. The XM name and related logos are registered trademarks of XM Satellite Radio Inc. All other trademarks are the property of their respective owners. ³Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. ⁴Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Cell phone not included.

Pathfinder's available Music Box[®] keeps the crew entertained even on the longest road trips. Digital music storage and playback on the 9.3 GB hard drive means you can leave your CDs at home. The available Bose[®] audio system brings your collection to life with unmatched sound quality, while XM[®] Satellite Radio is an option for the truly indulgent.² Now getting there will be more than half the fun.

BOSE[®]

iPod[®] An available auxiliary audio input jack lets you plug in your iPod[®] for hours of music or podcasts.³

MP3 CD Capability Load 6 MP3/WMA discs in the available in-dash 6-CD changer for over 1000 of your favourite songs.

CompactFlash[®] Card Reader When you add the Nissan Navigation Package, you can bring your CompactFlash[®] card, plug it in, and enjoy over 500 songs.

XM[®] Satellite Radio Ideal for the long haul, the available XM[®] Satellite Radio offers 130 channels of entertainment. Keeping the family content from coast to coast and back again.²

Bluetooth[®] Hands-Free Phone System With Pathfinder's available Bluetooth[®] Hands-Free Phone System and your Bluetooth-enabled phone, you can make and receive calls with a touch of a button on the steering wheel. The system will even mute the audio system when you're on the phone, and then return it to the previous setting when you hang up.⁴

Nissan Intelligent Key[®] Pathfinder serves up a taste of the future with the available Nissan Intelligent Key.[®] As you approach the vehicle, your Pathfinder recognizes your key's unique signal and allows you to unlock the vehicle by tapping a button on the door handle or liftgate. Once inside, start your Pathfinder and drive away without ever needing to touch a key or remote.

RearView Monitor The available RearView Monitor adds an extra element of confidence when navigating tight parking spots. It automatically operates when the transmission is in reverse, so you can be more easily aware of what's behind you.⁵

Navigation The available Nissan Navigation System not only helps you get to your destination, it also helps keep you informed along the way with key points of interest, while lane guidance provides a unique perspective.⁶

DVD Entertainment System Flip down the 178 mm (7") screen and take in a movie or plug in a video game player on the available Nissan DVD Entertainment System. Even play the day's highlights on your camcorder through the auxiliary inputs.

The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ⁵The optional RearView Monitor is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. The RearView Monitor may not detect every object behind you. ⁶Bose is a registered trademark of The Bose Corporation. ³CompactFlash is a registered trademark of SanDisk Corporation. ⁴iPod is a registered trademark of Apple, Inc. All rights reserved. iPod not included.

Heighten your sense of confidence.

Protect your cargo. Especially the precious kind. With four innovative traction and braking technologies working in harmony, you're in a better position to avoid a collision. When an accident is inevitable, you can count on Pathfinder's wide range of passenger safety features to help protect you and your family.

Structure. Pathfinder's Zone Body construction helps absorb crash energy to protect the occupant compartment if the unavoidable happens. It includes front and rear crumple zones, energy-absorbing frame side-members and crossmembers, and a reinforced body structure to help lessen the effects of impact and help protect your family.

Another Nissan First. Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first. The Snug Kids Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at nissan.ca/owners/en

6 standard airbags

Surrounded by safety! Start with Nissan's Advanced Airbag System with dual-stage supplemental front airbags, including an occupant-classification sensor. If the front passenger's seat is empty, for example, a sensor deactivates that airbag. Built into the front seats are standard driver and front-passenger side-impact supplemental airbags. They even move with you when you adjust your seating position. Up above are standard roof-mounted curtain supplemental airbags, enhancing head protection for all three rows of outboard occupants!

Ready with a rollover sensor. In the unlikely event of a rollover, Pathfinder is poised to respond. All models have a sensor that detects an impending rollover and deploys both curtain airbags.

4 standard braking technologies

Vehicle Dynamic Control (VDC) reduces engine power and/or applies appropriate brake pressure to specific wheels.²

Anti-lock Braking System (ABS) rapidly pumps the brakes to help prevent your wheels from locking.

Active Brake Limited Slip (ABLS) applies braking pressure to slipping wheel(s) and redirects power to wheel(s) with traction.

Electronic Brake force Distribution (EBD) detects additional weight and sends added brake force to the rear wheels.

Pathfinder Models

S

- 266 HP 4.0-litre V6 engine
- 4-wheel independent suspension
- 16" Aluminum-alloy wheels
- All-Mode 4WD[®] with 2-speed transfer case
- 4-wheel Active Brake Limited Slip (ABLS)
- Vehicle Dynamic Control (VDC)²
- Roof rails and splash guards
- 7-passenger capacity
- Fold-flat second- and third-row seats
- AM/FM/CD audio system
- Power windows and door locks
- 12-volt DC power outlets

SV

Includes S features, plus:

- 17" Aluminum-alloy wheels
- Roof rack crossbars and running boards
- Fog lights
- RearView Monitor
- Dual-zone Automatic Climate Control (ACC)
- 8-way power driver's seat and adjustable pedals
- Heated front seats
- In-dash 6-CD changer
- Auxiliary audio input jack
- Information Centre with 178 mm (7.0") colour display

LE

Includes SV features, plus:

- 18" Machined-finish aluminum-alloy wheels
- Bose[®] audio system
- XM[®] Satellite Radio³
- Bluetooth[®] Hands-Free Phone System
- Nissan Intelligent Key[®] keyless entry and ignition system
- Memory System – driver's seat, outside mirrors and pedals
- Leather-appointed seats
- Heated steering wheel
- Power sliding glass moonroof with one-touch open/close

¹Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your owner's manual for more details. Inflated airbags shown for illustration purposes only. Actual airbags deflate after deployment. ²VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ³XM[®] Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Basic monthly subscription required and sold separately after trial period. Subscription subject to terms and conditions at xmradio.ca. All fees and programming subject to change. © 2010 XM Satellite Radio Inc. Packages

■ SV Premium Package

17" x 7.5" 6-spoke machined-finish aluminum-alloy wheels • Automatic on/off headlights • Power sliding glass moonroof • Nissan Intelligent Key® keyless entry and ignition system • Bluetooth® Hands-Free Phone System • Digital Bose® audio system with AM/FM/in-dash 6-CD changer and speed-sensitive volume control • Ten speakers, including two subwoofers • XM® Satellite Radio² • HomeLink® universal garage-door opener

■ Nissan DVD Entertainment Package (SV, LE)

Nissan DVD Entertainment System with 178 mm (7") monitor • DVD player with auxiliary inputs • Remote control and two wireless headsets • Dual Media Playback
This package requires SV Premium Package on SV models.

■ LE Pathmaster® Nissan Navigation Package

Nissan Hard Drive Navigation System with touch-screen controls and voice recognition • 9.3 GB Music Box® hard drive and CompactFlash® card reader • Tire Pressure Monitoring System with four-tire display

This package requires Nissan DVD Entertainment Package. Pathmaster® deletes digital compass in rearview mirror and replaces 6-CD changer with single-CD player.

Dimensions/Capacities

Exterior Dimensions – mm (inches)	
Wheelbase	2850 (112.2)
Overall length	4884 (192.3)
Overall width	1849 (72.8)
Overall height – (with roof rack)	1844 (72.6)
Track width	1570 (61.8)

Interior Dimensions – mm (inches)	
Front/second row/third row	
Head room without moonroof	1016/991/932 (40.0/39.0/36.7)
Leg room	1077/869/714 (42.4/34.2/28.1)
Hip room	1410/1463/1118 (55.5/57.6/44.0)
Shoulder room	1481/1483/1450 (58.3/58.4/57.1)

Capacities	
Interior passenger volume – L (cu. ft.)	4222 (149.1)
Cargo capacity – L (cu. ft.)	
– All seats in user positions	467 (16.5)
– Second row upright, third row folded flat	1393 (49.2)
– Second row folded flat, third row folded flat	2243 (79.2)
Fuel tank – L (Imp gal)	80 (17.6)
Towing capacity ⁴ – kg (lbs)	2722 (6000)

Weights – kg (lbs)			
	S	SV	LE
Base curb weight	2132 (4700)	2198 (4846)	2243 (4945)
Gross Vehicle Weight Rating (GVWR)	2772 (6111)	2772 (6111)	2772 (6111)

2011 Fuel Consumption Estimates – L/100 km (mpg)	
City	14.9 (19)
Highway	10.3 (27)

Actual mileage may vary with driving conditions – use for comparison only.

- Standard
- Optional
- Part of Nissan DVD Entertainment Package (SV, LE)
- Part of LE Pathmaster® Nissan Navigation Package
- Part of SV Premium Package

Finance Options Through Nissan Canada Finance, we offer many attractive purchase and lease programs, all with competitive rates and terms. With our flexible finance options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2011 Nissan is covered by a 3 year/60,000 km³ Comprehensive New Vehicle Warranty, a 5 year/100,000 km³ Powertrain Warranty, an 8 year/130,000 km³ Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Nissan's philosophy toward the environment, "Seeking a symbiosis of people, vehicles and nature," describes our ideal for a sustainable mobile society, now and in the future. We launched the Nissan Green Program with specific objectives to realize this goal, and we are pursuing it energetically.
