IT IS PERHAPS THE SMALLEST SPACE KNOWN TO MAN.

*THAT RAREFIED SLIVER BETWEEN THE GOOD AND THE TRULY GREAT.
THERE'S NO MAP TO HELP YOU FIND THIS ELUSIVE PLACE.
THE ONLY WAY TO GET THERE IS SIMPLY TO BELIEVE YOU CAN.*

At Cadillac, we've set out to create our own uniquely American breed of extraordinary. It's why we've created our own daring school of design that pushes steel way beyond its comfort zone. It's why we pioneered a suspension technology so brilliantly effective that some of the world's top supercars followed our lead. Inspired and humbled by all the great cars that came before us, we went all the way to Germany's famed Nürburgring racetrack to prove ourselves against—challenging, and ultimately surpassing—Europe's most admired sport sedans.

RED-BLOODED. DARING. ORIGINAL.

These are the kinds of luxury cars we build. It takes tenacity, a refusal to leave well enough alone. That is the difference between good and great.

That is the difference between just making luxury cars, and making Cadillacs.

THE NEW STANDARD OF THE WORLD

IT DOESN'T SIT ON THE FENCE.

In a world of look-alike crossovers, the SRX stands deliberately, daringly apart. Seemingly sculpted from a solid block of steel, with an aggressive stance and jewel-like details, the SRX serves up equal doses of refinement and exhilaration. Its new potent, yet remarkably efficient¹ 308 HP, direct-injection V6 is the most powerful engine standard in any luxury crossover. Its available torque-vectoring All-Wheel Drive system seamlessly and brilliantly masters changing road conditions, while its available UltraView sunroof illuminates an interior with available French-stitched leather seating surfaces where every detail was carefully considered. Bold, potent, refined and ingenious, the SRX is a crossover that steadfastly refuses to follow.

ULTRAVIEW SUNROOF

The thoughtful design of the available UltraView sunroof spans both front and rear seats and gives the car an even more spacious feel. When the sun gets more intense, a power sunshade keeps things cool.

CLASSIC CRAFTSMANSHIP

Every detail has been thoughtfully considered, like the polished chrome accents, available Sapele wood trim and French-stitched seams on the door trim and available leather seating surfaces—all to give you a driver experience unlike any other.

HAVEN'T SEEN THIS.

HAVEN'T DONE THAT.

It was already firmly established as one of the world's best luxury crossovers. But that didn't stop us from reimagining every detail. The new 3.6L direct-injection V6 with 308 HP moves the SRX with authority. Inside, the cabin exudes fine craftsmanship, with features like hand-cut-and-sewn accents and the newly available leather- and wood-accented heated steering wheel. Technological features include available torque-vectoring All-Wheel Drive, keyless access with Adaptive Remote Start, a glide-up navigation system¹ that incorporates XM NavTraffic² for real-time traffic reports, and SiriusXM Satellite Radio³ with three trial months. There's also full iPod[®] and Bluetooth[®] integration.⁴

SRX / Crystal Red Tintcoat

1. Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada.
2. NavTraffic requires a monthly subscription after introductory trial service, sold separately by SiriusXM. NavTraffic only available in select markets. For more information, visit siriusxm.com/navtraffic.
3. Requires a subscription sold separately by SiriusXM after trial period. SiriusXM Radio service available only in the 48 contiguous United States and the District of Columbia. For more information and to view Customer Agreement, visit siriusxm.com for details.
4. Go to gm.com/bluetooth to find out which Bluetooth[®] phones are compatible with the vehicle.

SRX / Radiant Silver Metallic

SRX EXTERIOR

WHEN YOU GET
THE LITTLE THINGS RIGHT,
THE BIG THINGS FOLLOW.

JEWELLED HEADLAMPS

Signature vertical light pipes frame available High-Intensity Discharge headlamps that include headlamp washers and Adaptive Forward Lighting. This technology swivels the headlamps and adjusts their angle based on speed to provide optimal illumination closer or farther down the road.

REAR SPOILER

Along with its aggressive look, the rear spoiler manages airflow around the rear of the vehicle to help keep the window free from dirt and moisture.

DUAL-EXHAUST OUTLETS

Integrated perfectly into the rear fascia, the brightly polished, dual-exhaust tips make a powerful statement.

VERTICAL LED TAILLAMPS

Taillamps come alive with advanced LED lighting, give an unmistakable Cadillac presence, react more quickly and use less energy, lasting up to ten times longer than traditional bulbs while providing enhanced illumination.

IT HAS FIVE DOORS, AND YOU WON'T HAVE TO
CHECK YOUR SWAGGER
AT ANY OF THEM.

SRX / Ebony with Ebony accents

SRX INTERIOR

THE BEST SEAT IN THE HOUSE IS DECIDEDLY NOT IN THE HOUSE.

SRX / Shale with Brownstone accents

FRENCH-STITCHED SEATS

Luxury extends to every detail. Glove-soft leather seating surfaces are also available with French contrast stitching (Ebony interior only) that adds a touch of sophistication and understated elegance.

GLIDE-UP TOUCH-SCREEN NAVIGATION

The available glide-up screen¹ rises from the instrument panel to become your control center. Access navigation, the Bose® 5.1 surround sound, pause-and-play radio, 10 GB hard drive, OnStar² that is standard for one year, and more.

Inside the SRX, even the details have details. This is evident in the cut-and-sewn accents on the instrument and door panels or in the polished chrome accents and available Sapele wood. It's also apparent in the things you can't see, like triple door seals that not only provide a watertight fit, but function to reduce wind noise passing over the vehicle's body. There's even a laminated coating in the windshield and front side window glass that helps prevent noise from entering the vehicle.

1. Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada.
2. Visit onstar.com for details and system limitations. OnStar acts as a link to existing emergency service providers.

*EVER LOOK AT A STEERING WHEEL
AND SEE A GUITAR?*

The difference between a good luxury car and a truly extraordinary one isn't just in the details, it's in the grain. Cadillac crafts its interiors in available Sapele wood, a wood traditionally found only in fine guitars. Its grain is so deep and lustrous, upon close examination, it almost takes on a three-dimensional quality. In fact, our designers chose it because it reveals itself as well under the available soft LED ambient lighting as when bathed in sunlight from its available UltraView sunroof.

WOOD-TRIMMED HEATED STEERING WHEEL

Put a classic touch of luxury in your hands with the newly available heated steering wheel accented with the richness of Sapele wood trim.

*IT DOESN'T JUST RETRACT.
IT UNVEILS.*

Your home isn't the only thing you choose for the view. Witness the aptly named UltraView sunroof, available on the SRX. This is no mere sunroof. Instead, it's a dramatic expanse of glass that covers—and uncovers—nearly 70 percent of the roof. Just retract the power sunshade and enjoy breathtaking views of the world above you. Another button opens the glass to give you plenty of fresh air. And if you ever tire of the view? Simply hit the accelerator and head somewhere new.

PAUSE-AND-PLAY RADIO

Similar to a built-in DVR for your stereo, the available pause-and-play radio allows you to pause live radio, record up to 20 minutes of audio, then play it back at a later time, even after the vehicle is turned off.

DRIVER INFORMATION CENTER WITH SPEED LIMIT NOTIFICATION

When you opt for the available navigation system, the enhanced full-color Driver Information Center can ingeniously display posted speed limits where you're driving.

KEYLESS ACCESS/ ADAPTIVE REMOTE START

With available Keyless Access, you never have to reach in your pockets or search through your purse to unlock your SRX Crossover. Simply having the key fob on you will automatically unlock the vehicle's doors and liftgate as you approach. Adaptive Remote Start does more than just conveniently and securely turn on your ignition from up to 200 feet away; it also activates interior controls so the cabin of your SRX Crossover is ready for you with the desired temperature and settings.

BRAINS, MEET BEAUTY.

Before we consider adding any new technology to the SRX, it has to meet one criterion: Does it improve the driver experience? The glide-up touch-screen navigation¹ option includes voice recognition, a 10-speaker Bose® 5.1 surround sound system, rearview backup camera display, full iPod® and Bluetooth® integration². There's even a 40 GB hard drive, with 10 GB of music storage that can hold up to 2,000 songs. In addition, there's a USB³ interface and SiriusXM Radio⁴ with three trial months for endless options of your favorite programming, while available NavTraffic⁵ keeps you informed of traffic conditions. And, for the ultimate in convenience, power-adjustable pedals are available that can be programmed to your preferred position.

1. Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada.
2. Go to gm.com/bluetooth to find out which Bluetooth® phones are compatible with this vehicle.
3. Not compatible with all devices.
4. Requires a subscription, sold separately by SiriusXM Radio after the trial period. SiriusXM Radio service only available in the 48 contiguous United States and the District of Columbia. For more information and to view Customer Agreement, visit siriusxm.com.
5. NavTraffic requires a monthly subscription after introductory trial service, sold separately by SiriusXM. NavTraffic only available in select markets. For more information, visit siriusxm.com/navtraffic.

THE ALL-WHEEL DRIVE THAT ASKS, "WHAT'S NEXT?"

The ability to anticipate what's next is what separates great drivers from the merely good. Wouldn't it stand to reason that an AWD system should follow the same logic? Take, for example, the SRX and its available torque-vectoring AWD. Torque-vectoring is proactive—taking your driving input and monitoring road conditions to intuitively put power where it's most effective—anticipating challenges before they arise. The AWD system and rear electronic limited slip differential (eLSD) work in harmony to provide enhanced control while cornering or performing evasive lane changes. The result is not only pure confidence in inclement weather, but—when combined with Continuously Variable Real-time Damping suspension that adjusts damping forces every two milliseconds—offers agile cornering and enhanced acceleration when it's 70 and sunny. But then, you knew that already.

*YOU WALK INTO A ROOM
WITH CONFIDENCE.
SHOULDN'T YOU ENTER A
HIGHWAY THE SAME WAY?*

An all-new 308 HP, direct-injection V6 engine only seems excessive until you truly need it. The soaring mountain pass, the harried entrance ramp, the flirtatious driver's road: All moments when you'll appreciate the SRX's 3.6 liters of superior motivation—the most powerful engine standard in any luxury crossover. And since torque is what matters most in day-to-day driving, you'll feel its exceptionally wide torque band every time you press the accelerator. Yet, despite its brawn, this sophisticated power plant is remarkably efficient¹ and requires only regular fuel, making it as responsible as it is exhilarating.

A VEHICLE THAT ONLY GETS YOU FROM A TO B SIMPLY DOESN'T GO FAR ENOUGH.

SRX / Gray Flannel Metallic

The intuitive technology of SRX never ceases to amaze. Take braking: On wet roads, available Rainsense wipers work in harmony with ingenious Auto-dry brakes, a technology that moves the brake calipers and pads closer to the rotors to help improve braking performance. The available Continuous Damping Suspension system continually adjusts to changing road conditions to maintain a balance of ride and handling. And, based on road conditions, the available All-Wheel Drive system with torque-vectoring technology preemptively directs up to 100 percent of the power to the front or rear wheels before traction is lost.

DRIVER SHIFT CONTROL

The electronically controlled 6-speed automatic transmission incorporates Driver Shift Control that allows clutchless manual shifting. A quick tap is all that's required for a smooth, crisp upshift or downshift.

AUTO-DRY¹ BRAKES

Wet roads mean longer stopping distances. Auto-dry brakes activate after rain is detected to help improve braking performance.

ZF SERVOTRONIC[®] 2 STEERING

This performance-oriented option provides quick reaction and responsive feedback, further locking in the driver's connection with the road. Responses are quickened even further in sport mode.

Nürburgring racetrack in Germany

NÜRBURGRING-TESTED

Not only did we test our suspension components on the legendary Nürburgring racetrack in Germany; we went a step further, re-creating the most demanding corners of the world's most legendary tracks in our own backyard to build the ultimate test track. So we can challenge ourselves every single day.

SRX / Crystal Red Tintcoat

*SOME LIVES REQUIRE
A BIT MORE SPACE
THAN OTHERS.*

With its track-tuned bloodlines, you wouldn't be the first to overlook the practicality of the SRX. Fold down the rear seats to reveal more than 60 cubic feet of useable space. An available Cargo Management System includes a U-Rail and an adjustable cargo fence to help keep items in place. There's also concealed underfloor storage, plus an air-conditioned glove compartment. Additional storage can be found in the front and rear doors, and in the backs of the front seats. Accessing all that space is easy, thanks to the available power liftgate with memory height that can be programmed for easy reach or to avoid a low garage ceiling.

UNDERFLOOR STORAGE

A HOLISTIC APPROACH TO SAFETY.

At Cadillac, we believe the best way to survive a collision is to avoid one in the first place. Active safety begins with a responsive engine, powerful brakes and an agile suspension; to these we add the StabiliTrak Electronic Stability Control System, an advanced anti-lock braking system (ABS) and the confidence of available All-Wheel Drive (AWD). But when a collision can't be avoided, we've engineered a rigid body structure and strategically engineered crumple zones. What's more, you have the confidence of knowing that the SRX was named a **2011 Top Safety Pick by the IIHS**.¹ Peace of mind that also comes with six airbags² standard and one year OnStar³ Automatic Crash Response. In a crash, built-in sensors in your vehicle can automatically send an alert to an OnStar Adviser who can use GPS technology to send help to your exact location. It's a lifeline to help. Even when you can't ask for it.

1. Awarded to the 2011 model year vehicle. Visit www.iihs.org.
2. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.
3. Visit onstar.com for details and system limitations. OnStar acts as a link to existing emergency service providers.

CADILLAC SHIELD

THE NEW STANDARD OF LUXURY OWNERSHIP

PREMIUM CARE MAINTENANCE

Standard on all 2011 and newer Cadillac vehicles, Premium Care Maintenance is a fully transferable maintenance program that covers select required maintenance services during the first 4 years or 50,000 miles.¹

COURTESY TRANSPORTATION

During the warranty coverage period, this Cadillac program provides alternate transportation and/or reimbursement of certain transportation expenses if your Cadillac requires warranty repairs.

SECURITY BY ONSTAR

If you've reported your Cadillac stolen, OnStar² can use GPS technology to help authorities quickly locate and recover it. On most Cadillac models, an Advisor can send a Stolen Vehicle Slowdown[®] or Remote Ignition Block signal to help authorities safely recover it.

DIAGNOSTICS BY ONSTAR

With best-in-class diagnostics from OnStar², maintaining your Cadillac can be as simple as checking your e-mail or your OnStar RemoteLink mobile app. Every month, you can receive an e-mail with the status of key operating systems.

EMERGENCY BY ONSTAR

In a crash, built-in sensors can automatically alert an OnStar² Advisor who is immediately connected in to your Cadillac to see if you need help sent to your exact location. Other OnStar² emergency services include Injury Severity Predictor and First Assist. All Cadillac models come with 1 year of OnStar² service.

ROADSIDE ASSISTANCE

Among leading luxury car brands, Cadillac is the only one to offer standard 5-year Roadside Assistance that provides lock-out service, a tow, fuel, Dealer Technician Roadside Service and more.

WARRANTY PROTECTION

The 5-year/100,000-mile³ Cadillac Powertrain Limited Warranty is 30,000 miles longer than Lexus and 50,000 miles longer than BMW and Mercedes-Benz. The 4-year/50,000-mile³ Bumper-to-Bumper Limited Warranty covers repairs on your entire vehicle, including parts and labor, to correct problems in materials or workmanship.

NAVIGATION BY ONSTAR

Just push the OnStar² button and an Advisor can download voice-guided turn-by-turn directions to your Cadillac, and a voice will call out every turn. You can also plan routes using Google Maps[™] or MapQuest.com[®], and then send them to your Cadillac.

CONNECTIONS BY ONSTAR

Available Hands-Free Calling capability from OnStar² allows you to make and receive calls safely from your Cadillac. With the OnStar RemoteLink mobile app, you can access and control your Cadillac from anywhere you have cell phone service.

The one-year Directions and Connections Plan connects you with a live OnStar Advisor who can program your requested route and have directions sent to your vehicle, or to the navigation system,² when equipped. It's just one example of the level of personal service we think you deserve as a Cadillac owner.

MYCADILLAC APP

The ingenuity of the SRX doesn't stop with the vehicle. As a Cadillac owner, an advanced complimentary app is available for your new crossover. From virtually anywhere at anytime, a few taps of your finger on your iPhone or Android Smartphone let you access features like parking reminders, Roadside Assistance, and more. Plus, in conjunction with the OnStar RemoteLink app, you'll have the ability³ to remotely start your vehicle from any place you have cell service, and lock and unlock your doors. In addition, you can access key diagnostic information, including fuel tank level and range, and remaining oil life.

1. Whichever comes first. Visit cadillac.com for details.
2. Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. Services vary by model and conditions. OnStar is standard for one year.
3. Requires active OnStar subscription.

the myCadillac showroom app from iTunes.

PAINT FINISHES

TRICOAT

A meticulous 3-layer process that results in a dramatic hue-shifting color reminiscent of a show-car finish.

TINTCOAT

A premium 2-layer paint application with the addition of a tinted clearcoat, lending the finish an extra depth and brightness.

RADIANT SILVER METALLIC MOCHA STEEL METALLIC BLACK ICE METALLIC CRYSTAL RED TINTCOAT BLACK RAVEN

GOLD MIST METALLIC XENON BLUE METALLIC GRAY FLANNEL METALLIC PLATINUM ICE TRICOAT

1. Available at extra cost. 2. Not available with Titanium Interior with Ebony Accents. 3. Not available with Shale interior with Brownstone Accents. 4. Only available with Collections.

20" x 8" 7-SPOKE BRIGHT MACHINED-FINISH CAST ALUMINUM WHEELS WITH PREMIUM PAINTED ACCENTS¹

Standard on SRX Performance and Premium Collections and includes P235/55R20 H-rated all-season tires

18" x 8" 7-SPOKE CAST ALUMINUM WHEELS WITH PAINTED FINISH

Standard on SRX and includes P235/65R18 H-rated all-season tires

18" x 8" 7-SPOKE CAST ALUMINUM WHEELS WITH BRIGHT MACHINED FINISH

Standard on SRX Luxury Collection and includes P235/65R18 H-rated all-season tires

20" x 8" 7-SPOKE CHROME TECH CAST ALUMINUM WHEELS

Available on SRX Performance and Premium Collections and includes P235/55R20 H-rated all-season tires

1. Use only GM-approved tire and wheel combinations. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer for details.

1. Maximum trailer-weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Cadillac dealer for additional details. 2. Use only GM-approved tire and wheel combinations. For important tire and wheel information, go to gmaccessorieszone.com or see your dealer for details. 3. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Automatic Occupant Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. 4. Go to gm.com/bluetooth to find out which phones are compatible with the vehicle. 5. Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico, and Canada. 6. Visit onstar.com for details and system limitations. 7. Requires a subscription, sold separately by SiriusXM after the trial period. SiriusXM Radio service only available in the 48 contiguous United States and the District of Columbia. For more information and to view Customer Agreement, visit siriusxm.com. 8. Not compatible with all devices.

• – STANDARD ○ – AVAILABLE

ABOUT THIS CATALOG: We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing (10/11), please check with your Cadillac dealer for complete details. Any variations in colors shown are due to reproduction variation in the printing process. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, or start and end model years at different times. Note: Some photographs in this catalog show vehicles with optional equipment. **ONSTAR:** OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (466-7827) or visit onstar.com for OnStar's Terms and Conditions, Privacy Policy and details and system limitations. **ENGINES:** Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models. **TIRE SEALANT AND COMPRESSOR KIT:** Unless you option into a spare tire, there is no jack or spare tire in this vehicle. If you do not option into the spare tire, your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a 1/4-inch puncture in the tread area of the tire. After using the inflator kit, it is recommended to take the tire to an authorized dealer for inspection and repair as soon as possible but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than 1/4 inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire one time before its expiration date. **ASSEMBLY:** Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you. **UPDATED SERVICE INFORMATION:** Cadillac dealers receive useful service bulletins about Cadillac products. You may purchase them from Helm Incorporated by calling 1-800-551-4123 or by visiting www.helminc.com. **NEW-VEHICLE LIMITED WARRANTY:** World-class coverage comes standard on every 2012 Cadillac. This warranty is for Cadillac vehicles registered in the U.S.A. See your Cadillac dealer for terms and conditions. **COVERED FOR 5 YEARS/100,000 MILES (WHICHEVER COMES FIRST):** Powertrain Limited Warranty with no deductible, Roadside Assistance Program; Courtesy Transportation Program.¹ **COVERED FOR 4 YEARS/50,000 MILES (WHICHEVER COMES FIRST):** Bumper-to-Bumper coverage; Tires – Defects in material and workmanship; Repairs made to correct any vehicle defect; Corrosion on body sheet metal panels. **RUST THROUGH PROTECTION:** Cadillac vehicles are designed and built to resist corrosion and rust-through corrosion. Any body sheet metal that rusts through (in the form of an actual hole in the sheet metal) is covered for six years unlimited mileage. Cosmetic or surface corrosion, resulting from stone chips or scratches in the paint, for example, is not included in the Rust Through coverage. Application of additional rust-inhibiting materials is not required under the Rust Through coverage and none is recommended. See your Cadillac dealer for terms of this limited warranty. **FLEET ORDERS:** Some standard content may be deleted with fleet orders. See dealer for details.

1. Roadside Assistance Program and Courtesy Transportation Program are not a part of the New Vehicle Limited Warranty. A separate booklet entitled "Warranty and Owner Assistance Information" furnished with each new vehicle provides detailed warranty coverage information.
