

ITEM	DESCRIPTION	INSTALLED
All-Weather Floor Mats 	<p>Help protect your Toyota's original factory carpet with a set of durable all-weather mats. The mats feature an FJ logo and a ribbed channel design that helps contain moisture, dirt and other debris. Quarter-turn fasteners (on the driver's side) and ribbed backing on all mats help hold them in position.</p>	\$99
Rear Door Storage Net 	<p>Door Sill Enhancements, anadized to help protect against corrosion, feature a brushed finish and are accented with an FJ logo.</p>	\$89
Cargo Tray 	<p>Molded for an exact fit to your FJ's cargo area, the cargo tray helps keep your cargo area clean and dry. Its multi-dimensional surface and perimeter lip help contain dirt, debris and liquids and features a molded FJ logo for an added touch of personalization.</p>	\$99
Roof Rack 	<p>The roof rack adds an off-road look and carries loads up to 150 lb. The aluminum tubing basket-style rack offers you a handy platform for carrying your gear, while the sliding front cross bar adds another level of utility and flexibility.</p>	\$719
Cargo Net 	<p>This convenient cargo net helps keep everyday items from rolling around or tipping over. Specifically designed for your FJ Cruiser, the envelope-style net can be quickly attached or detached and stores flat when not in use.</p>	\$49
Exhaust Tip 	<p>The exhaust tip is constructed of corrosion-resistant, double-walled 304 stainless steel, polished to a brilliant shine for long-lasting beauty.</p>	\$89
VIP Security System 	<p>Designed to integrate with the vehicle's existing factory security/keyless entry system—no need for an additional remote. Panic alarm remotely triggers vehicles alarm when activated from key fob. Warn-away alarm triggers an alarm triggers if an object striking on a window is detected. Break-in alarm is activated or if forced entry of a side door (or the hatchback) is attempted or if glass is broken. (requires Factory Keyless Entry, NOT AVAIL with Off-Road Package)</p>	\$389
Rock Rails 	<p>Rock rails help protect the underside of your FJ from damage that can occur when traversing boulder-laden, off-road trails. Made from corrosion-resistant steel, with a black powder coating, they're easily installed to existing vehicle mounts in the frame with no drilling required.</p>	\$595
Hood Protector 	<p>Help protect your hood's paint finish from airborne debris with this durable protector. This stylish, impact-resistant hood protector follows the contours of the hood and grille to help shield the factory paint finish.</p>	\$165
Passenger Armrest 	<p>Made from durable material with a soft automotive-grade fabric cushion for maximum passenger comfort. Pivots up for added convenience.</p>	\$138
Towing Receiver Hitch and Wiring Harness 	<p>Thorough testing of the tow hitch design is conducted both on and off the vehicle to ensure its capabilities including: Precise computer simulations, used to analyze stress points, assess impact forces and examine design efficiency. Custom replacement fascia pieces and matching vehicle contours are provided if parts of rear fascia need to be removed to accommodate the hitch, integrating the appearance of the vehicle bumper and hitch; Genuine Toyota hitches have up to 16 connection points to the vehicle frame to transfer the force of towing across the vehicle to reduce stress and preserve the integrity of the body structure.</p>	\$429
