August Fun

With school right around the corner, now is the perfect time to pack the family in your vehicle for that end-of-summer family getaway. Here are the Top 5 Midwest Family Vacation Destinations, as reviewed by [hubpages.com](#).

1. Branson, Missouri

Branson is one of the top vacation destinations in the country. The city offers attractions and world-class entertainment for all ages, all in the gorgeous setting of the Ozark Mountains. Kids will love the dinner show at [Dolly Parton's Dixie Stampede](#) restaurant where they'll see horses and stunt riders perform amazing tricks. Branson also houses the [Titanic Museum](#) and [Silver Dollar City](#), which has been named the #1 theme park in the world.

2. Chicago

From the top of the Sears Tower to the shores of Lake Michigan, the family is sure to love the windy city. The kids' favorite among Chicago's world-class museums is sure to be the [Chicago Children's Museum at Navy Pier](#). The [Field Museum](#) comes in a close second with it's full size T-Rex exhibit. And don't leave the city without sampling the deep-dish pizza.

3. Jellystone Campground Parks

In addition to the joys of camping, Jellystone parks offer waterslides, pools, and bike trails. Generally, the parks offer tent camping, RV sites, and cabin rentals. And Yogi and Boo Boo make daily visits to campers! Check out the [Jellystone main website](#) to see which park is right for your family as the amenities vary.

4. Wisconsin Dells

Located on the Wisconsin River, [Wisconsin Dells](#) is known as the waterpark capitol of the world. The indoor waterparks help contribute to the year-round fun at this vacation destination, but there's more to the Dells. The fall color is spectacular and the area has plenty of campgrounds where you can experience the colorful change of season up close.

5. South Dakota - Black Hills, Badlands, & Mount Rushmore

The Black Hills region of South Dakota is home to five national parks and memorials. Perhaps the best-known landmark is [Mount Rushmore](#), but there's so much more to see. [Crazy Horse Memorial](#) is expected to be the world's largest mounting carving when it's complete. And [Custer State Park](#), [Wind Cave National Park](#), and the [Mammoth Site](#) in Hot Springs each offer a different insight into the wonders of this beautiful state.
