Employee Spotlight

your fuel tanks full on your vehicle. The wide temperature swings we have can cause frost and condensation inside your vehicle's fuel tank, which in turn will leave water in the fuel. But if the tank is full, there is no area for the frost to build. So, keep the tank full and use 10% ethanol every once in a while to help remove any H2O that might have found its way into the tank.

ABRA Auto Body

"America's Most Recommended" Auto Body & Glass repair shop offers a full line of services, including Body repair, Windshield Replacement, Paintless Dent Repair, Rock Chip Repairs, Complete Interior and Exterior Detailing, Window Tinting, Accessory Sales and Installation, and much more!

Visit our Website at www.abraauto.com for more information.

ABRA is currently seeking an experienced Windshield Installer. Qualified individuals must be able to perform quality repairs in our very busy and growing collision repair center. Our State-of-the-art center and numerous direct repair programs will keep you busy in our fast paced environment. ICAR certified preferred! We offer competitive pay, full benefit package and more! Contact Jesse at 605-229-4030 or stop in and fill out an application at 601 Auto Plaza Drive.

December Fun - Where Are They Now?

In mid-November 1983, the American public was introduced to what would quickly become a true holiday classic. A Christmas Story told the tale of a young Ralphie Parker, a boy who wanted ONE thing for Christmas: a Red Ryder BB Gun. Every year we watch, and every year we are left wondering...
