

VAN HORN DODGE'S WINTER FUNDRAISERS & EVENTS

This past holiday season, Van Horn Dodge and Joe Van Horn Chevrolet once partnered with Project Angel Hugs for their Holiday Toy Drive.

Then, Project Angel Hugs' volunteers collected the items, boxed them up, and delivered them to the children. They sent around 190 boxes and 100 cards to the kids and their families.

The dealerships collected items for children, in Southeastern Wisconsin, and their families who are touched by cancer.

Project Angel Hugs operates year-round "encouraging [the children] through prayer, words, gifts, and festivities."

As Santa was making his rounds this season, he took a little time to stop by and read us a story!

After the story, the children received a special treat from Santa and were able to enjoy some snacks and refreshments with the Big Man.

Early in December, Santa visited the Van Horn dealerships in Plymouth to read "Twas the Night Before Christmas." There were about 30 children registered for the event.

"It was a lot of fun," Santa said. "I hope the children are good so that I can come visit again next year!"

VEHICLE PREVIEW: THE 2014 JEEP GRAND CHEROKEE

The Jeep Grand Cherokee has been one of the most highly acclaimed SUVs in the industry. Yet, the 2014 Grand Cherokee takes Jeep's definition of "premium" and "luxury" to an entirely new level.

The new 3.0-liter EcoDiesel V-6 engine is likely the most noteworthy addition to the Grand Cherokee. Eight-speed transmission, and 7,400 lbs. of best-in-class towing, create a new efficiency across all powertrains and in Jeep's famous off-road performance.

The new engine has already been fitted to Grand Cherokees sold in Europe, and Jeep predicts that the rear-wheel version will be rated at 21 mpg city/ 28 mpg highway in the U.S. [The AWD option decreases those numbers to a combined 22-23 mpg.]

With a new design and enhanced technology, safety, and quality, the 2014 Jeep Grand Cherokee is going to be one you will want to keep your eyes on.

EMPLOYEE NEWS

At this year's Holiday Lunch, Chuck Van Horn and General Manager, Dick Strong, were thrilled to honor Lee Stephan on his 25 Years of Service in the Van Horn Family.

"After a morning visit with Lee, you always walk away feeling a little bit lighter," Chuck Van Horn explained. "He always has something nice to say, wrapped up in a humorous delivery."

We are all proud to have the opportunity to work with Lee and we all want to say, "Congrats!"

Congratulations!
