Corrosion (years/miles)	5/unlimited	5/unlimited	5/100,000	5/unlimited

¹ Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone owner's manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license.

² Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations.

³ Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up.

⁴ Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, do not use rear-facing child restraints in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See your owner's manual for more details.

⁵ Driving is serious business and requires your full attention. Do not operate any devices connected to the auxiliary input while driving.

⁶ Cargo and load capacity limited by weight and distribution. Always secure all cargo.

⁷ Actual mileage may vary with driving conditions — use for comparison only.
